# Maintenance Notes & Updates

The maintenance and housekeeping team wish you all Happy and Safe Holidays! If you plan to decorate the apartment, BE SAFE by making sure you have plenty of room to move around, as well as do not daisy chain extension cords for Christmas lighting. If you plan on cooking for the holidays, BE SAFE by making sure counter-tops are not overly cluttered, burners and oven are off when not cooking.

On-campus projects:

Advance Concrete is around 75% complete with the Village 5 Stairwell Repair project. They look amazing. After completion, their team will start resurfacing the Commons Pool/Spa decking.

Asiatic Jasmine has been planted in the Village 5 courtyards. Over the next several months it should grow in and provide easy on the eyes ground cover.

## December, unit inspections will continue at Village 2

December 5 – Wing 201

December 12 – Wing 202

December 19 – Wing 203 & 204

## Monthly Pool Maintenance:

Commons pool will be closed: December 1 & 15.

Village 6's pool will be closed: December 8 & 22.

As always, if there is an emergency or urgent work order, please call maintenance at 850-613-2054 during duty hours (7am-5pm), call security after hours. For routine work or honey do request, please submit maintenance request in the boxes, Uniguest, or Maintenance Care.

Tune into the In-House Cable TV Channel 1993 for village updates.
