## Director's Highlights

We kindly ask that residents please do not leave unwanted items (such as books, puzzles, or games) in common areas without checking first.

If you have items you'd like to donate, please call the Front Office before dropping them off to see if there is a current need. This helps us keep our common spaces neat, safe, and organized for everyone.

Residents who see doctors at White-Wilson and have prescriptions filled at Eglin must tell their provider to send the prescription to the **DoD Eglin Pharmacy**. They will not get it otherwise.

### Volunteers Needed

Looking for "New Resident Sponsor" Volunteers for the Following Villages:

- \* Village 1
- \* Village 6

Please Contact Paula If you are interested (850-651-2635)  
If you are currently on my list and no longer wish to do this  
please contact me as well.

## Maintenance Notes & Updates

### February 2026

It looks like a cold month ahead. With that in mind, remember here in Florida we use heat pumps versus the old furnace from up north. When the heat pump cannot keep up, the system activates backup electric strips.

#### On-campus projects:

Walking trail is getting one more layer of glue, then it will be 100% complete. During the Spring, the maintenance team will spread seeds or lay sod on the edges to make it more detailed. Advance Concrete will start the Commons pool deck resurfacing sometime in February. I will give plenty of notice so that folks can schedule another type of workout.

I have ordered some more Jasmine for the Village 5 courtyards. Hopefully, the Spring weather will allow them to spread like wildfire.

Unit inspections will continue. We are looking to ensure the units are safe, functional, and clean but lived in. Examples are foyers being clear, no fire hazards,

#### **January, unit inspections will continue in Village 6:**

February 6 – First Floor

February 13 – Second Floor

February 20 – Third Floor

#### **Monthly Pool Maintenance:**

Commons pool will be closed: February 2 & 16.

Village 6 pool will be closed: February 9 & 23.

As always, if there is an emergency or urgent work order, please call maintenance at 850-613-2054 during duty hours (7am-5pm), call security after hours. For routine work or honey do request, please submit maintenance request in the boxes, Uniguest, or Maintenance Care.
