Resident Safety Reminder Hiring Outside Caregivers

Your safety and peace of mind are very important to us. If you choose to invite a third-party caregiver or service provider into your home, we encourage you to take a few simple steps to protect yourself:

- **Verify credentials:** Ask for identification, certifications, and references.
- **Use reputable agencies:** Whenever possible, hire through licensed and insured agencies.
- **Avoid sharing personal information:** Do not provide banking, financial, or sensitive personal details.
- **Trust your instincts:** If something doesn't feel right, it's okay to say no.
- **Let someone know:** Inform a family member or Bob Hope Village front desk when you hire a caregiver.

Please remember, individuals you hire privately are not affiliated with or vetted by our community. Taking these precautions can help ensure your safety and well-being. If you ever feel uncomfortable or have concerns, don't hesitate to contact the front office for guidance.

Resident Council

Are you passionate about making our community the best it can be? The upcoming Resident Council elections are your opportunity to step up and make a meaningful impact! Serving on the council is a rewarding way to give back, shape the future of our community, and foster positive connections with your neighbors. Consider volunteering your time and talents to help us continue building a vibrant and supportive place to call home.

Resident Council Nominations are accepted until April 13th

Sign-up to become a nominee for your wing. It's as simple as...

1. **Enter your name on the Nomination Sign-up Sheet** found in your village laundry room or clubhouse
2. Stop at the BHV front desk to **Sign the "Agreement to run" Form**

WE WANT YOU!

Duties & Job Description of a Council Member can be found at the Front Desk.

Note: There is a consecutive two-term limit per council member.

Maintenance Notes & Updates

We made it to Spring! Now that we are starting to see high 70s and low 80s, please make sure to set your thermostat at a comfortable temperature. Also make sure the thermostat is on “cool” and the fan is on “auto”. If the fan is left in “on”, the blower fan will stay on continuously, allowing the humidity to come in the apartment.

I'd like to highlight some complaints we have been getting.

1. Make sure your patios are clean and not cluttered.
2. Please do not polish or wax your LVP floors. It is very hard to get up once a resident leaves.
3. If you want to grow something, use pots. Please do not plant in the ground, unless it is in an assigned designated garden area.

Pool/Spa

The Commons pool will be closed for monthly maintenance on April 2 & 16

Village 6 pool closed 9 & 23 April.

Please make sure to rinse off before going for a swim.

Apartment Inspections

This month we are moving to

Village 4 for inspections:

- April 3 - Wing 401
- April 10 - Wing 402
- April 17 - Wing 403
- April 24 - Wing 404

Honey-Do Days
