Share What You Know, Show What you Grow

Our local fair celebrates community knowledge, local agriculture, creativity, and the pride of growing something together. Sponsorship support helps us deliver educational exhibits, family entertainment, youth programming, and hands-on demonstrations that reflect the heart of our community.

We invite you to partner with us at a level that fits your organization and showcases your commitment to local growth.

Why Sponsor the Fair?

- Direct visibility with thousands of local attendees
- Strong association with education, agriculture, and community values
- Support for youth programs, local exhibitors, and hands-on learning

We would be pleased to customize a sponsorship package to best fit your goals.

**Thank you for helping us
share knowledge, show
growth, and celebrate our
community together.**
