

Incorporating a US company has never been this easy!

Incorporate & setup a Delaware C-Corp with Inkle Incorporate, curated for Indian founders.

What \$999 for Inkle Incorporate gives you:

Digital & collaborative

Attorney-vetted templates, all stakeholders in one dashboard — no back and forth, no missed signatures.

Lifetime Value

Templates for Stock Adoption, SAFEs, ESOPs, NDAs and more, ready to use at every stage of your company's life.

Compliant Process

100% compliant incorporation process for founders anywhere in the world. Backed by top US-licensed attorneys.

Why Inkle incorporate?

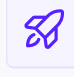

Complete lifetime document library

SAFEs, stock plan adoption, board resolutions, NDAs, hiring docs, foreign qualifications and more — everything your company needs, from day one and beyond.

Fully digital, from start to finish

The entire process is esigned on Inkle's platform, no printing, no couriering, and no chasing signatures.

20+ startup perks included

Access to a curated marketplace of startup discounts and tools, built into your plan from day one.

Exclusive Clerky and Stripe Atlas partner in India

Incorporate via two of the most trusted platforms globally, with Inkle managing the entire process and post-incorporation maintenance.

Who is this for?

US founders

Global founders

India-based founders navigating FEMA and ODI

Note: Inkle, Inc. is not a law firm or attorney. It is advised that users seek the services of an attorney licensed in the United States when using Inkle Incorporate.

Inkle recommends Seven Legal (Bualabos Ltd) as a preferred law firm. Attorney fees is not included.
