Disclaimer

The information included in this presentation, other than those relating to historical facts, are “forward-looking statements.” Statements including words such as “believe,” “may,” “will,” “estimate,” “continue,” “anticipate,” “intend,” “expect” or similar expressions are intended to identify forward-looking statements, although not all forward-looking statements contain these identifying words. These forward-looking statements may include, but are not limited to, statements relating to our objectives, plans, and strategies; statements that contain projections of results of operations or of financial condition; statements relating to the industry and government policies and regulations relating to our industry; and all statements (other than statements of historical facts) that address activities, events, or developments that we intend, expect, project, believe, or anticipate will or may occur in the future.

Forward-looking statements are not guarantees of future performance and are subject to risks and uncertainties. We have based these forward-looking statements on assumptions and assessments made by our management and on information available to them in light of their experience and their perception of historical trends, current conditions, expected future developments, and other factors they believe to be appropriate, as of the time when such forward-looking statements were made. Important factors that could cause actual results, developments, and business decisions to differ materially from those anticipated in these forward-looking statements include, among other things: the overall global economic environment; general market, political, and economic conditions; projected capital expenditures and liquidity; changes in our strategy; government regulations and approvals; and litigation and regulatory proceedings. We caution you that forward-looking statements are not guarantees of future performance and that our actual results of operations, financial condition and liquidity, and the development of the industry in which we operate may differ materially from the forward-looking statements contained herein. In addition, even if our results of operations, financial condition and liquidity, and the development of the industry in which we operate are consistent with the forward-looking statements contained herein, they may not be predictive of results or developments in future periods. We undertake no obligation to update or revise publicly any forward-looking statements to reflect subsequent occurring events or circumstances, or changes in its expectations, except as may be required by law.

We caution investors that actual results may differ materially from the anticipated results and encourage investors to review other factors that may affect our future results in the Company’s registration statement and other filings with the U.S. Securities and Exchange Commission. You may get these documents for free by visiting EDGAR on the SEC website at <http://www.sec.gov>.

TEN HOLDINGS, INC.
NASDAQ: XHLD

About Us

TEN Holdings, Inc. ("TEN Holdings") provides comprehensive event, production, and broadcasting services, with a focus on delivering exceptional virtual, hybrid, and in-person events for Fortune 1,000 companies.

Leveraging cutting-edge technology and industry expertise, we aim to create seamless, high-impact experiences tailored to meet the unique needs of each client and to ensure precision, quality, and engagement at every stage of the event process.

OUR JOURNEY

Innovating The Event Experience

Webcasting Company Founded in 2011

- ✓ **Over a Decade of Experience:** With more than 13 years in the industry, we have built extensive expertise in delivering high-quality virtual and hybrid events, establishing a strong reputation for excellence.
- ✓ **Proven Adaptability:** Having navigated significant industry shifts, including the rapid rise of virtual events, we have continuously evolved our technology and services to meet the changing needs of clients.

Purchased by Publicly Traded Japanese Events Co.

- ✓ **Expanded Global Reach:** The acquisition provides access to new international markets, allowing us to leverage the established presence and network of the Japanese company to expand.
- ✓ **Enhanced Resources & Expertise:** Partnering with a successful global company brings additional resources, which can further strengthen our offerings and service quality.

Positioned for Growth in Global Event Solutions

- ✓ **Expanded Market Opportunities:** Opens doors to new markets and diverse client bases across different regions, increasing revenue potential and brand recognition.
- ✓ **Scalable Solutions:** Leverage scalable technologies and processes, adapting to the unique needs of each market while maintaining efficiency and delivering high-quality services worldwide.
