

INSPIRE

Women's Business Conference

MAY 28, 2026

7:30am-4:30pm

The **INSPIRE Women's Business Conference**, proudly hosted by the **Washington Center for Women in Business (WCWB)**, is a dynamic event tailored for women-identifying business owners and leaders in our community. This conference is a powerful platform for fostering connections, **expanding professional networks**, and providing actionable insights to help women grow their businesses.

By uniting inspirational women in business, the event highlights their success stories, strategies for **overcoming challenges**, and approaches to innovation, **skill-building**, and effectively communicating value to their customers.

Your **sponsorship** directly supports the WCWB's year-round initiatives, including transformative programs online and in-person, the E-Commerce Accelerator cohorts, free classes, ongoing advising, pop-Up markets, and our compelling podcast Interviews featuring women-owned businesses. These programs **break down barriers** by providing scholarships.

In **2025**, thanks to our sponsors, the WCWB achieved remarkable milestones:

- **\$529,400** in increased client profits
- **484** hours of client engagement
- **140** new client coaching sessions
- **41** new jobs created
- **34** new businesses started
- **26** podcast episodes produced
- **147 scholarships** given out

These achievements reflect the profound impact of our mission—and with your partnership, we can exceed these numbers in 2026. Join us in creating a **thriving ecosystem for women entrepreneurs**. Together, we can inspire growth, innovation, and success for women-led businesses in our community.
