Get Wise, Live Wise: Stewarding What God Has Entrusted to Us

Proverbs 3:9–10 & 27–28, James 4:13–15, Acts 13:22 & 36, 2 Corinthians 8:7

---

1. Read Proverbs 3:9–10. What do you think it means to "honour the Lord with your wealth" and your "first fruits"? How does this differ from simply giving God whatever is left over?

2. Read James 4:13–15 and Acts 13:36. What do these passages teach us about the temporary nature of life and the importance of using our time for God's purposes?

3. The message described Jesus as both Saviour and Lord, and challenged us to surrender every area of life to Him. Is there an area of your life, such as your time, finances, work, gifts, or future plans, that you find particularly difficult to place under God's leadership? Why?

4. Ecclesiastes 3:11 says that God has "set eternity in the human heart." When you think about your life from an eternal perspective, what priorities or goals feel most important to you right now?

5. Proverbs 3:27–28 encourages us not to withhold good when it is in our power to act. What gifts, talents, experience, or opportunities has God entrusted to you, and how could you intentionally use one of them to serve others this week?

6. The message encouraged believers to steward their time, talent, and treasure wisely. What is one practical step you could take this month to grow in faithful stewardship, whether through generosity, serving, saving, discipleship, or investing in God's Kingdom?
