

HEALTH AND SAFETY POLICY

Our commitment

Bishop Building Limited and its officers recognise that the health and safety of all workers and visitors is of the utmost importance and vital to the success of our business. As such we aim to continuously improve health and safety in the workplace through consultation and increased health and safety awareness of management and workers.

Through the co-operative efforts of management and workers, we are committed to:

- Complying with the Health and Safety at Work Act 2015, and all other legislative requirements and relevant codes of practice
- Providing and maintaining a work environment that is without risks to health and safety
- Providing and maintaining safe work systems
- Ensuring that management has an understanding of health and safety management relative to their position
- The safe use, handling, and storage of plant, substances, and structures
- Providing adequate facilities for the welfare at work of workers in carrying out work for the business or undertaking, including ensuring access to those facilities
- Providing information, training, instruction, or supervision that is necessary to protect all persons from risks to their health and safety arising from work carried out as part of the conduct of the business or undertaking, and
- Ensuring that the health of workers and the conditions at the workplace are monitored for the purpose of preventing injury or illness of workers arising from the conduct of the business or undertaking

The focus of the company's health and safety management system is preventing hazards. We will develop a framework for health and safety management and a plan for systemic risk assessment and control of hazards, to progressively improve safe behaviours and safe systems of work across the business.
