

Getting started roadmap

You may not feel that you are 100% ready to start Alpha, but when it comes to Alpha, you learn by doing it. Keep praying and just give it a go!

1

Pray

Pray and discern when you might run Alpha in your context. You may want to gather a few others to discern and pray with you.

2

Experience

Some people like to experience Alpha first. Run it as a small group or visit another Alpha running in your area.

3

Plan

You will want to look at when and where your Alpha will run, and who you might want to invite to help you.

4

Connect

Register your Alpha online to get tons of resources, or schedule a coaching call with the Alpha Team.

5

Train

Training for you and your team can be done at training sessions with resources provided.

6

Invite

Be intentional and direct with your invitations. Encourage your team to do the same.

And remember, the Alpha Ireland Team is here to support you at every step along the way. Check out the Coaching page on alphaireland.org to book a call with one of our team members.
