

Getting started roadmap

You may not feel that you are 100% ready to start running the Parenting Children Course, but when it comes to Alpha, you learn by doing it.

1

Discern

Discern when you might run the course in your context. It could be in your home, through your church or even your local school.

2

Register

Register your Parenting Course online. You'll get tons of free resources, including all the videos and training.

3

Resource

You can get all the Guest Guides and Leader Manuals you need from the Alpha Ireland shop.

4

Connect

If you need extra support, you can always schedule a free coaching call with the Alpha Team.

5

Train

Training for you and any of your team can be done at training sessions with all the resources provided.

6

Invite

Be intentional and direct with your invitations. Think of ways you can best reach parents in your community.

The Alpha Ireland Team is here to support you at every step along the way. Check out the Coaching page on alphaireland.org to book a call with one of our team members.
