

## Product Developer Assistant – Footwear & Bags

### About the Role

Björn Borg is recruiting a **Product Developer Assistant** to support the full development process for product and packaging for Footwear and Bags. The role ensures quality, accuracy, and timely execution across samples, PLM administration, and vendor communication.

### Key Responsibilities

- Support Product Developers with daily operational tasks.
- Manage all sample handling: lab dips, strike-offs, prototypes, SMS, PPS/FCM samples
- Maintain accurate PLM data and ensure ITIF delivery for all allocated tasks.
- Handle communication and follow-ups with international vendors.
- Contribute to process efficiency, sustainability targets, and pack/pricing administration.
- Contribute to and assist in fittings.
- Assist in raw material development process.

### Qualifications

- Bachelor's degree in Textile Economics, Product Development, or equivalent.
- Highly organized, efficient, and detail-oriented.
- Strong digital skills and confidence in administrative workflows.

- Excellent command of English.
- Excellent knowledge in Office package
- Experience in footwear and/or bags development.
- Experience in working in PLM-system is an advantage
- Experience in Adobe Illustrator is an advantage

Join us and support a high-performance team committed to quality, precision, and continuous improvement.

## Who We Are Looking For

We are looking for someone with a genuine passion for the product category, who thrives in a collaborative environment and actively contributes to a positive team spirit. You are curious, eager to learn more about product development, and comfortable adapting when priorities shift. Clear and confident communication comes naturally to you, both verbally and in writing, and you approach challenges with a solution-oriented and creative mindset.

## Björn Borg as a workplace

We are on an exciting journey and our ambitions are clear – Become the number 1 Sports Fashion brand in the world. We constantly challenge each other to push ourselves a little further, whether it is at work, in the gym or life in general. Björn Borg aims to offer a company culture built on high ambition, drive and a strong passion with a team spirit that will give you the power to succeed, and we value a positive mindset that can provide us with the strength to be the best at what we do.

---

**Position:** This is a full-time position located at our Headquarters (HQ) in Solna, Stockholm.
