April is Community Banking Month!

Oostburg State Bank has been deeply rooted in Sheboygan County since we first opened our doors in 1908. Throughout the past 118 years, we've always been a fiercely independent, locally owned bank.

We're proud to be part of such a vibrant, family-focused community and we actively invest in the people, companies, and organizations in our community to ensure a bright future.

Join with us as we celebrate 118 years of being Sheboygan County's community bank!

Celebrate with Us!
