Below are on-demand resources you can cite in reporting.
Requested Citation: "According to Federal data analyzed by Mobile Pathways….."

ON DEMAND
RESOURCES

Immigration Court Data

Track the latest immigration court trends with our interactive dashboards. See national trends or zoom in to specific courts, judges, and case types. Tailor your results using the filters at the top of each dashboard.

Regional Immigration Data Briefings

We publish localized immigration court briefings for select metro areas. Want the latest report? Email Camila at camila@mobilepathways.org

Data Blogs

Deep-dive analysis from Mobile Pathways—fresh posts that explain what the data shows, why it matters, and how we measured it.

Data Deportation Project

Need ICE enforcement data? Start with this public repository of anonymized government immigration enforcement data obtained largely via FOIA, widely used by journalists and researchers.

Third Country Deportation Tracker

Human Rights First's regularly updated list of Asylum Cooperative Agreements (ACAs) used to track third-country deportation orders.
