# GENEROUS AT A GLANCE

When you are Generous, life smiles at you.

- ° Mission: make the world a little more Generous - one cookie at a time.
- ° Founded: 2013, family-owned Belgian bakery.
- ° Our promise: high-quality, organic, gluten-free cookies, baked with care (and solar power).

- ° Awards: Laureate Caring Entrepreneurship Fund (King Baudouin Foundation), CCB Awards, La Vitrine de l'Artisan, Best Belgian New brand, Epicure d'Or, Great Taste Awards.

# GENEROSITY AS A PHILOSOPHY

## An inclusive bakery excluding gluten

Generous partners with sheltered workshops to handle the packaging of its cookies. This actively contributes to the integration of individuals with disabilities by providing them with meaningful employment opportunities.

Over the past decade more than a million euros have been invested in sheltered workshops.

# GENEROUS PEOPLE

## Rewarding the Generous people of Belgium

Over the years, we've chosen to share our generosity with people and organizations who make the world a little brighter...". When biscuits break during the production process, or they chip or simply look weird, we can't sell them. So what do you do when your company name is Generous? You create a special gift pack for it and you give them away. Good business sense? Definitely not, but it feels great. We avoid wasting food and we can make some new friends by offering them to all sorts of generous people.
