

HOPE CHRISTIAN ACADEMY
LIVING OUT A COMMITMENT TO CHRIST

JOG-A-THON

Jog-A-Thon is a major fundraiser for Hope Christian Academy which helps kick-start the year financially. The event takes place during Spirit Week in which the students dress up to a different theme each day. Jog-A-Thon allows the students to be actively involved in raising support for their education.

This is the only school fundraiser where the students are asked to be actively involved. Students estimate how many laps they will be able to walk or run around the Biesiot Activity Center (BAC) track in one hour. They then ask for one-time or per lap pledges from family, friends, and neighbors. On the day of the Jog-A-Thon, the students will be given one hour to complete as many laps around the track as possible.

THE 2026 JOG-A-THON IS SCHEDULED FOR THURSDAY, SEPTEMBER 23.
