DISTRICT SUMMARY

The Marin Emergency Radio Authority (“MERA”) is a Joint Powers Authority in Marin County (the “County”), formed in 1998 to plan, implement and manage a County-wide public safety and emergency radio system. This system is available to all member agencies, and its primary purpose is to support police, fire, and public safety services.

The system helps unify public safety response and ensures communication among individual agencies and departments within the County. MERA provides crucial communications for all County residents, both day-to-day and after major emergencies or natural disasters. MERA provides communication links between 911 public safety dispatch centers and public safety units in the field that respond to emergencies. The MERA radio system gives dispatch centers the ability to assign first responders within seconds of receiving a 911 call. The system of 17 base station radio and receiver sites provides regional or countywide radio communications among dispatch centers and mobile units throughout the County.

On November 4, 2014, registered voters in the County voted to approve the 20-year Measure A Special Parcel Tax (“Parcel Tax”). The Parcel Tax is levied County-wide and will be used to replace the County’s aging emergency communications system; reduce 911 response times, improve communications reliability during earthquakes, floods, fires, and other disasters; and ensure reliable communications among police, fire, and paramedic first responders throughout the County.

For the purposes of this ordinance, the term "parcel" shall mean a parcel of real property having a separate assessor's parcel number as shown on the last equalized assessment roll of Marin County.

Section 3. Special Fund, Use of Tax Proceeds.

Specifically, all proceeds from the parcel tax will be provided to MERA solely for the Next Generation system project.

Section 4. Collection.

The special parcel tax imposed by this ordinance shall be collected in the same manner, on the same dates, and shall be subject to the same penalties and interest as other charges and taxes fixed and collected by and for the County of Marin, or in such other manner as may be prescribed by the Board of Supervisors.

The special parcel tax, together with all penalties and interest thereon, shall constitute a lien upon the parcel upon which it is levied until it has been paid, and said special parcel tax, together with all penalties and interest thereon, shall constitute until paid, to the extent authorized by law, a personal obligation to the County of Marin by the persons who own the parcel on the date the tax is due.

Section 5. Amendment and Implementation.

The Board of Supervisors shall be empowered to amend this ordinance by an affirmative vote of at least a majority of its members to carry out the general purposes of this ordinance, to conform the provisions of this ordinance to applicable state law, to modify the methods of collection, or to assign the duties of public officials under this ordinance.

In no event shall the Board of Supervisors amend this ordinance to increase the maximum amount of the special parcel tax established in Section 2 of this ordinance, unless approved by two-thirds of the voters voting thereon.

The Board of Supervisors by resolution may adopt additional exemptions to the special parcel tax imposed by this ordinance.

Section 7. Annual Report.

The chief fiscal officer of the County shall annually file with the County Board of Supervisors a report regarding the amount of special parcel tax revenues collected and expended and the status of any project authorized to be funded with the special parcel tax revenues, as required by California Government Code Section 50075.3, as such law is amended from time to time.

Notwithstanding the previous sentence, Section 4 relating to the collection and enforcement of liens or obligations for the special parcel tax previously levied hereunder, shall continue in effect until such time as the collection and enforcement procedures have been completed.

Section 11. Severability.

If any provision of this ordinance or the application thereof to any person or circumstances is held invalid or unconstitutional by any court of competent jurisdiction, such invalidity or unconstitutionality shall not affect any other provision or applications, and to this end the provisions of this ordinance are declared to be severable. The Board of Supervisors, and the electorate by referendum, do hereby declare that they would have adopted this ordinance and each section, subsection, sentence, clause, phrase, part or portion thereof, irrespective of the fact that any one or more sections, subsections, clauses, phrases, parts or portions thereof, be declared invalid or unconstitutional.
