

SRM Molle Dock

Accessory to the UXV Ecosystem

With the SRM MOLLE Dock you get an interface between the SRM radio and a Nett Warrior (NW) HUB or USB-A device. The MOLLE Dock can be used both for field applications or for debugging purposes. It is compatible with all SRM radios, and can make field operations and debugging easier. When ordering the MOLLE Dock, you choose between either a Nett Warrior Cable or USB-A and Banana Plug connector.
