TEAM DR JOSEPH

WHERE NATURE MEETS HIGHTECH.

In our treatments, we work with the natural cosmetic products from TEAM DR JOSEPH according to the holistic TEAM DR JOSEPH method.

Cutting-edge research, powerful plant extracts, and individually tailored treatments ensure visible results and profound well-being. For healthy, radiant skin – naturally and effectively.

MOISTURIZING/DEHYDRATED SKIN

Do you tend to develop fine lines on your face, or do you have thin, brittle, and rough skin? Thanks to its moisturizing ingredients, this line is perfect for dry and cold weather conditions as well as excessive sun exposure.

PURIFYING/OILY, COMBINATION SKIN

These products focus on deep cleansing and pore refinement. Key characteristics of this skin type are oily, shiny areas and blemishes.

WELL AGING/MATURE SKIN

The line for mature skin. This line optimally provides the skin with moisture and collagen, and supports it with a bio-Botox active ingredient.
