10. Directors may be suspended and/or removed from office by the General Meeting at any time, such resolution requiring a majority of at least two-thirds (2/3) of the votes cast in a meeting, such two-thirds (2/3) majority representing at least fifty percent (50%) of the issued and outstanding capital of the Company. The Director concerned shall be given the opportunity to account for his conduct at

the General Meeting. For that purpose he may have himself assisted by a legal adviser.

Decision-making by the Board of Directors. Directors' ceasing to hold office or being unable to act.

Article 13.

1. Resolutions of the Board of Directors taken at a meeting are adopted with a simple majority of the votes cast. Each Director shall have one vote. If the voting for and against a proposal is equally divided, another vote shall be taken if so demanded by any Director.
2. The Board of Directors shall draw up board rules to deal with matters that concern the Board of Directors internally and the division of duties within the Board of Directors and its committees; the adoption and amendment of such internal rules shall require the approval of the Board of Directors.

The rules of the Board of Directors may *inter alia* include an allocation of tasks among the members of the Board of Directors and shall contain provisions concerning the matter in which meetings of the Board of Directors are called and held. The rules of the Board of Directors may stipulate that certain resolutions of the Board of Directors may validly be passed by one or more Directors, provided that the relevant resolutions are within the scope of the task(s) allocated to this or these particular Director(s).

3. In the event that:
 - (i) one or more Executive Directors has ceased to hold office (*ontstentenis*) or is unable to execute his/her duties and responsibilities (*belet*), the other Executive Directors or the sole remaining Executive Director shall be temporarily charged with the role of the Executive Director who is absent or unable to execute his/her duties, without prejudice to the Board of Directors' right to temporarily designate a person to perform the role of the Executive Director who is absent or unable to execute his/her duties; or
 - (ii) all Executive Directors or the sole Executive Director shall have ceased to hold office or be unable to execute their duties and responsibilities and no substitute Executive Directors have been appointed, the Executive Director role in the management of the Company shall be temporarily entrusted to the person designated or to be designated for that purpose by the Board of Directors, during such period of absence until a new Executive Director has been appointed in accordance with Article 12.

In the event that:

- (i) one or more Non-Executive Directors has ceased to hold office (*ontstentenis*) or is unable to execute his/her duties and responsibilities (*belet*), the other Non-Executive Directors or the sole remaining Non-Executive Director shall be temporarily charged with the role of the Non-Executive Director who is absent or unable to execute his/her duties; or
- (ii) all Non-Executive Directors shall have ceased to hold office or are unable to execute their duties and responsibilities and no substitute Non-Executive Directors have been appointed, the Non-Executive Director role in the management of the Company shall be temporarily entrusted to the person designated or to be designated for that purpose by the General Meeting, during such period of absence until a new Non-Executive Director has been appointed in accordance with Article 12.

The provisions of the Articles of Association concerning the Board of Directors and the Director(s) individually shall apply *mutatis mutandis* to the person referred to in the previous sentences. Furthermore, that person shall be required to call a General Meeting as soon as possible, which General Meeting may decide on the appointment of one or several new Directors.

- 4. The Board of Directors may pass resolutions in writing, provided that all members of the Board of Directors have been consulted on the proposed resolution(s) and none of the members of the Board of Directors have objected against this form of resolution. A resolution in writing by the Board of Directors requires a simple majority of the members of the Board of Directors.
- 5. Any Director with a conflict of interest in respect of the Company and/or its business shall refrain from participating in the deliberations and decision making of the Board of Directors in this particular matter. If as a direct result of the foregoing, no resolution can be adopted by the Board of Directors, such resolution will be put before the General Meeting and subsequently the General Meeting can resolve on the matter.

Decision by the Board of Directors subject to approval by the General Meeting

Article 14.

Without prejudice to any other applicable provisions of these Articles of Association, decisions of the Board of Directors involving a major change in the Company's identity or character are subject to the approval of the General Meeting, including:

- a. the transfer of the enterprise or substantially all of the enterprise of the Company to a third party;
- b. the conclusion or cancellation of any long-lasting cooperation by the Company or a Subsidiary with any other legal person or company or as a fully liable general

partner of a limited partnership or a general partnership, provided that such cooperation or the cancellation thereof is of essential importance to the Company; and

- c. the acquisition or disposal of a participating interest in the capital of a company with a value of at least one-third of the sum of the assets according to the consolidated balance sheet with explanatory notes thereto according to the last adopted annual accounts of the Company, by the Company or a Subsidiary.

Duties and powers of the Directors.

Article 15.

1. The Board of Directors is in charge of the management of the Company. The duties, powers and authorities of the Board of Directors are divided between the Executive Director(s) and Non-Executive Directors, whereby the Executive Director(s) will be responsible for the management of the day to day affairs of the Company and the Non-Executive Directors will be responsible for the supervision of the execution of the duties and responsibilities of the members of the Board of Directors and of the general course of affairs of the Company and its business. Subject to the division of duties, powers and authorities set out in the previous sentence, the Board of Directors may attribute additional duties, powers and authorities to Non-Executive Directors. Any such attribution of duties, powers and authorities should be set out in the board rules drawn up by the Board of Directors pursuant paragraph 2 of Article 13.
2. The Board of Directors may install committees consisting of members of the Board of Directors, and/or management of the Company and/or its Subsidiaries.
3. The Board of Directors may designate certain tasks and functions to the committees referred to in the previous paragraph of this Article.
4. The Board of Directors may appoint a company secretary to assist the Board of Directors. The company secretary will be admitted to meetings of the Board of Directors and the General Meeting.

Representation.

Article 16.

1. The Board of Directors shall represent the Company. The power to represent the Company shall also vest in each Executive Director individually.
2. If an Executive Director performs any transaction in a private capacity to which transaction the Company also is a party, or if an Executive Director, acting in his private capacity, conducts any legal action against the Company other than as referred to in Section 15 of Book 2, each other Executive Director shall have the power to represent the Company.

3. The Board of Directors may grant power of attorney for signature to one or several persons and may alter or revoke such power of attorney.

Indemnity and Insurance.

Article 17.

1. To the extent permissible by law, the Company shall indemnify and hold harmless:
 - a. each member of the Board of Directors, both former members and members currently in office;
 - b. each person who is or was serving as an officer of the Company;
 - c. each person who is or was serving as a proxy holder of the Company;
 - d. each person who is or was a member of the board or supervisory board or officer of other companies or corporations, partnerships, joint ventures, trusts or other enterprises by virtue of their functional responsibilities with the Company and or its Subsidiaries,

(each of them, for the purpose of this Article only, an "indemnified person"), against any and all liabilities, claims, judgments, fines and penalties ("claims") incurred by the indemnified person as a result of any threatened, pending or completed action, investigation or other proceeding, whether civil, criminal or administrative (each, a "legal action"), brought by any party other than the Company itself or any Subsidiaries, in relation to acts or omissions in or related to his capacity as an indemnified person.
2. Claims will include derivative actions brought on behalf of the Company or any Subsidiaries against the indemnified person and claims by the Company (or any Subsidiaries) itself for reimbursement for claims by third parties on the ground that the indemnified person was jointly liable toward that third party in addition to the Company.
3. The indemnified person will not be indemnified with respect to claims insofar as they relate to the gaining in fact of personal profits, advantages or compensation to which he was not legally entitled, or if the indemnified person shall have been adjudged to be liable for willful misconduct (*opzet*) or intentional recklessness (*bewuste roekeloosheid*).
4. Any expenses (including reasonable attorneys' fees and litigation costs) (collectively, "expenses") incurred by the indemnified person in connection with any legal action shall be settled or reimbursed by the Company, but only upon receipt of a written undertaking by that indemnified person that he shall repay such expenses if a competent court in an irrevocable judgment has determined that he is not entitled to be indemnified. Expenses shall be deemed to include

any tax liability which the indemnified person may be subject to as a result of his indemnification.

5. Also in case of a legal action against the indemnified person by the Company itself or any Subsidiary/ies, the Company will settle or reimburse to the indemnified person his reasonable attorneys' fees and litigation costs, but only upon receipt of a written undertaking by that indemnified person that he shall repay such fees and costs if a competent court in an irrevocable judgment has resolved the legal action in favor of the Company or the relevant Subsidiary/ies rather than the indemnified person.
6. Expenses incurred by the indemnified person in connection with any legal action will also be settled or reimbursed by the Company in advance of the final disposition of such action, but only upon receipt of a written undertaking by that indemnified person that he shall repay such expenses if a competent court in an irrevocable judgment has determined that he is not entitled to be indemnified.

Such expenses incurred by indemnified persons may be so advanced upon such terms and conditions as the Board of Directors decides.

7. The indemnified person shall not admit any personal financial liability vis-à-vis third parties, nor enter into any settlement agreement, without the Company's prior written authorization.

The Company and the indemnified person shall use all reasonable endeavors to cooperate with a view to agreeing on the defense of any claims, but in the event that the Company and the indemnified person would fail to reach such agreement, the indemnified person shall comply with all reasonable directions given by the Company, in order to be entitled to the indemnity contemplated by this Article.

8. The indemnity contemplated by this Article shall not apply to the extent claims and expenses are reimbursed by insurers.
9. The Company will provide for and bear the cost of adequate insurance covering claims against the indemnified person, unless such insurance cannot be obtained at reasonable terms.
10. This Article can be amended without the consent of the indemnified persons as such. However, the indemnity provided herein shall nevertheless continue to apply to claims and/or expenses incurred in relation to the acts or omissions by the indemnified person during the periods in which this clause was in effect.
11. At its discretion, the Board of Directors may have the Company indemnify other members of the management team, not being members of the Board of Directors, or other employees, each in case of the Company or of a Subsidiary, comparable to the indemnification provided herein for the benefit of other

indemnified persons.

GENERAL MEETING.

Notice and venue of the General Meeting.

Article 18.

1. Without prejudice to the provisions of Article 25, General Meetings shall be held as frequently as the Board of Directors may wish. The power to call the General Meeting shall vest in the Board of Directors, in each Executive Director individually and/or the Chairman.
2. The Board of Directors may determine a registration date for the purpose of registration of Shareholders who can attend the relevant meeting and in order to establish the number of votes to be exercised at such General Meeting. In case the Board of Directors resolves to set a registration date for a General Meeting, any Shareholder who wishes to attend such General Meeting must inform the Board of Directors of its intent to attend the General Meeting. At the same time the registration date determines the number of votes that a Shareholder may cast in the General Meeting. The aforesaid registration date is set on the twenty-eighth (28th) day prior to the day of the relevant General Meeting. Should the Board of Directors resolve not to set a registration date, then all parties that can prove to hold Shares on the day of the General Meeting may attend the General Meeting and such Shareholders shall be able exercise votes on the basis of their Shares held on the day of the General Meeting.
3. The Board of Directors must call a General Meeting:
 - a. if one or several Shareholders jointly representing at least one tenth (1/10) of the issued capital so request the Board of Directors, that request to specify the subjects to be discussed and voted upon;
 - b. within three (3) months after the Board of Directors has considered it plausible that the equity capital of the Company has decreased to an amount equal to or less than one-half of the paid and called up part of the capital.

If the General Meeting is not held within six (6) weeks after the request referred to under (a), the applicants themselves may call the General Meeting - with due observance of the applicable provisions of the law and the Articles of Association - provided that the interim provisions judge of the District Court has granted leave to such applicants for the convocation of a General Meeting. The provisions of paragraph 2 of this Article shall apply *mutatis mutandis* to the procedure of calling a General Meeting referred to in the preceding sentence.

4. Any Shareholder(s) who hold at least three one-hundredths (3/100) of the issued capital of the Company may propose items for the agenda of the General Meeting. Such items for the agenda should together with an explanation be submitted to the Board of Directors at least sixty (60) days prior to the day of the General Meeting at which it shall be addressed. The Board of Directors will include such items for the agenda in an equal manner as items on the agenda proposed by the Board of Directors.
5. Notice of the General Meeting must be given to each Shareholder. The term of notice must be at least fifteen (15) clear days before the day on which the meeting is held. Notice shall be given by means of letters, specifying the subjects to be discussed at the meeting. The notice should also contain information on a formal registration date (if applicable) for the registration of Shareholders who can attend the relevant meeting and in order to establish the number of votes to be exercised at such General Meeting.
6. General Meetings shall be held in The Hague, Amsterdam, Rotterdam, Utrecht or at Schiphol Airport in the municipality of Haarlemmermeer. Entirely without prejudice to the provisions of paragraph 3 of this Article, any resolution passed at a General Meeting held elsewhere - in or outside the Netherlands - shall be valid only if the requirements of notice set out in paragraph 5 of this Article have been complied with and the entire issued and outstanding share capital is represented. The Board of Directors may decide that (and under which conditions) the General Meeting shall also be accessible through electronic means. If and when permitted pursuant to applicable law, the Board of Directors may in addition decide that (and under which conditions) the General Meeting shall exclusively be accessible through electronic means. In both cases, references in the Articles of Association to attendance at a General Meeting shall include attendance by electronic means.

Admittance to and chairmanship of the General Meeting.

Article 19.

1. The Shareholders are entitled to admittance to the General Meeting. The Directors of the Company also are entitled to admittance, with the exception of any Director who has been suspended, and admittance shall further be granted to any person whom the chairman of the meeting concerned has invited to attend the General Meeting or any part of that meeting.
2. If a Shareholder wishes to attend a General Meeting by proxy, he must issue a written power of attorney for that purpose, which power of attorney must be presented to the chairman of the meeting concerned.
3. The General Meeting shall be presided over by the Chairman. In case the

Chairman is not available the Board of Directors shall appoint the chairman of the General Meeting.

4. Unless a notarial record of the business transacted at the meeting is drawn up, or unless the chairman of the General Meeting himself wishes to keep minutes of the meeting, the chairman shall designate a person charged with keeping the minutes.

The minutes shall be signed by the chairman of the General Meeting and the secretary of the meeting.

5. The chairman of the General Meeting decides on all issues regarding admittance to the meeting, voting and the order of the meeting.

Voting rights. Decision-making.

Article 20.

1. Each Class A Ordinary Share carries the right to cast one (1) vote. Each Class B Ordinary Share carries the right to cast ten (10) votes. Each Class C Ordinary Share carries the right to cast nine (9) votes.
2. In determining the extent to which the Shareholders cast votes, are present or are represented, or the extent to which the share capital is represented, the Shares in respect of which no votes may be cast shall not be taken into account.
3. Unless the Articles of Association stipulate a larger majority, all resolutions of the General Meeting shall be passed by a simple majority of the votes cast.
4. Blank votes and invalid votes shall not be counted as votes.
5. Votes on business matters - including proposals concerning the suspension, dismissal or removal of persons - shall be taken by voice or acclamation, but votes on the election of persons shall be taken by secret ballot, unless the chairman of the General Meeting decides on a different method of voting and none of the persons present at the meeting object to such different method of voting.
6. If at the election of persons the voting for and against the proposal is equally divided, another vote shall be taken at the same meeting; if then again the votes are equally divided, then - without prejudice to the provision in the following sentence of this paragraph - such person shall not be elected.

If at an election of persons the vote is taken between more than two candidates and none of the candidates receive the simple majority of votes, another vote - where necessary after an interim vote - shall be taken between the two candidates who have received the largest number of votes in their favor.

If the voting for and against any other proposal than as first referred to in this paragraph is equally divided, that proposal shall be rejected.

7. The General Meeting may resolve to allow a Shareholder to attend and

participate in the General Meeting by electronic means of communication, if and to the extent the identity of the thus attending Shareholder can be verified by the chairman of the General Meeting. Electronic votes submitted to the Board of Directors within twenty-eight (28) days of the General Meeting shall be considered to be issued at the General Meeting, provided the means of communication allows the chairman of the General Meeting to verify the identity of the voting Shareholder.

8. A Shareholder can be excluded from admittance and participation in a General Meeting when required pursuant to sanctions legislation applicable to the Company and/or its Shareholders. The Board of Directors is authorised to determine at its own discretion whether a Shareholder qualifies for such exclusion as referred to in the previous sentence.

Shareholders' proxy. Shares belonging to any community of property or joint estate.

Article 21.

1. In respect of any or all of his Shares a Shareholder may give one or several persons written power of attorney to exercise any or all of the rights attached to those Shares. Such power of attorney may not be given in respect of one and the same Share to more than one person simultaneously. The powers referred to in this paragraph may also vest in usufructuaries and pledgees of Class A Ordinary Shares. The Board of Directors may invoke certain rules on the registration of proxies as referred to in this paragraph.
2. Joint owners of any community of property or joint estate comprising Shares or a limited right to Shares may only exercise their rights by giving one or several persons written power of attorney to exercise said rights. If power of attorney is given to several persons, such power of attorney must specify in respect of which number of Shares each proxy is authorised to exercise the rights attached thereto.

Decision-making outside a meeting.

Article 22.

Unless statutory provisions provide otherwise, any resolution which Shareholders entitled to vote can pass at a General Meeting may also be passed by them outside a meeting, provided that they all express themselves in writing in favor of the proposal concerned. The persons who have passed a resolution outside a meeting shall immediately inform the Board of Directors of that resolution.

Meetings of holders of Class A Ordinary Shares,
meetings of holders of Class B Ordinary Shares, and
meetings of holders of Class C Ordinary Shares.

Article 23.

1. Meetings of holders of a particular class of Shares shall be convened by the Board of Directors.
2. The convocation shall take place not later than on the fifth (5th) day prior to the day on which the meeting shall take place.
3. A meeting of any class of Shares shall be held in the Netherlands at the place notified in convocation; provided, however, that if all of the holders of such class of Shares so agree, (i) a meeting of such class may instead be convened elsewhere, or (ii) such holders may pass resolutions in writing in accordance with Article 22.
4. Other than as varied by paragraphs 2 and 3 above, Articles 18 through 22 shall apply, *mutatis mutandis*, to any meeting referred to in this Article, it being understood that the location requirement of paragraph 3 does not apply if the Board of Directors in accordance with Article 18 decides that a meeting shall be exclusively accessible through electronic means.

Financial Year. Annual accounts.

Article 24.

1. The financial year of the Company shall be equal to the calendar year.
2. Each year within five (5) months after the end of the Company's financial year, save where this term is extended by a maximum of five (5) months by the General Meeting on account of special circumstances, the Board of Directors shall draw up annual accounts and an annual report on that financial year. To these documents shall be added the particulars referred to in Section 392, sub-section 1, of Book 2. However, if the provisions of Section 403 of Book 2 have been applied to the Company and if and to the extent that the General Meeting does not decide otherwise:
 - a. the obligation to draw up the annual report; and
 - b. the obligation to add to the annual accounts the particulars referred to in Section 392 of Book 2, shall not apply.

If the Company qualifies as a legal entity in the terms of Section 395a sub-section 1, Section 396 sub-section 1 or Section 397 sub-section 1 of Book 2 the Company shall not be required to make an annual report unless by law the Company must establish a works council or unless no later than six (6) months from the start of the financial year concerned the General Meeting has resolved otherwise.

3. The annual accounts shall be signed by all Directors. If the signatures of one or more of the Directors are missing, this and the reason for such absence shall be

stated.

4. The Board of Directors shall ensure that the annual accounts and, if required, the annual report and the particulars added by virtue of Section 392 of Book 2 shall be available at the office of the Company as soon as possible but not later than as from the date of notice calling the General Meeting intended for the discussion and approval thereof. Said documents shall be open to the inspection of the Shareholders at the office of the Company and copies thereof may be obtained by them free of charge.

Annual General Meeting. Adoption of annual accounts.

Article 25.

1. Each year at least one General Meeting shall be held, that meeting to be held within six (6) months after the end of the Company's last expired financial year.
2. The annual accounts shall be adopted by the General Meeting.

Profits and losses.

Article 26.

1. The distributable profit of the Company shall be at the disposal of the Board of Directors.

The Board of Directors determines the amount of the profit of the Company that shall be allocated to the profit reserves and the amount of profit available for distribution.
2. The Company may distribute profit only if and to the extent that its equity exceeds the sum of the paid and called-up part of the issued capital and the reserves which must be maintained by virtue of the law.
3. If and when the Board of Directors resolves to allocate or distribute a profit, the holders of Shares shall be entitled *pari passu* to the profits of the Company, *pro rata* to the total number of Class A Ordinary Shares, Class B Ordinary Shares and Class C Ordinary Shares held, provided that out of the profit of any financial year, the holders of Class C Ordinary Shares shall be entitled to a maximum amount equal to one percent (1%) of the nominal value of such Class C Ordinary Shares, without prejudice to the provisions below.
4. Dividends may be paid only after approval and adoption of the annual accounts which show that they are justified.
5. For the purposes of determining the allocation of profits, (i) any Shares held by the Company (except as otherwise provided in paragraph 7 of Article 10), (ii) any Shares of which the Company has a usufruct and (iii) any shares of which the dividend rights are suspended by the Board of Directors in accordance with

paragraph 11 of this Article, shall not be taken into account.

6. The Board of Directors may resolve to declare interim dividends out of the profits realised in the current financial year. Dividend payments as referred to in this paragraph may be made only if the provision in paragraph 2 of this Article has been met as evidenced by an interim statement of assets and liabilities as referred to in Section 105 subsection 4 of Book 2.
7. The distributable reserves of the Company shall be at the disposal of the Board of Directors and with due observance of the provisions of paragraphs 2 and 3 of this Article.
8. Unless the Board of Directors sets a different term for that purpose, dividends shall be made payable within thirty (30) days after they are declared.
9. The Board of Directors may resolve that dividends are satisfied in whole or in part by the distribution of assets or the issue of Shares.
10. Any deficit may be set off against the statutory reserves only if and to the extent permitted by law.
11. A Shareholder can be excluded from receiving dividend payments when required pursuant to sanctions legislation applicable to the Company and/or its Shareholders. The Board of Directors is authorised to determine at its own discretion whether a Shareholder qualifies for such exclusion as referred to in the previous sentence.

Amendment of Articles of Association. Merger. Demerger. Dissolution.

Article 27.

1. Upon receipt of a written proposal of the Board of Directors to this effect, the General Meeting may resolve to amend the Articles of Association, to conclude a legal merger or demerger or to dissolve the Company in the terms of Part 7 of Book 2.
2. The adoption of a resolution to amend the Articles of Association, to conclude a legal merger or demerger, in the terms of Part 7 of Book 2, or to dissolve the Company requires a two-thirds (2/3) majority of the votes cast in the General Meeting.
3. For the adoption of a resolution to amend the Articles of Association in which (a) the rights, including but not limited to the calculation of entitlement to any profits, of holders of Class A Ordinary Shares are taken away/affected, including but not limited to any change in the dividend or liquidation entitlement of the holders of Class B Ordinary Shares or Class C Ordinary Shares; (b) the definitions of "Initial Qualified Holder", "Non-Qualified B Holder", "Permitted Transferee", "Qualified B Holder" or "Transfer" are changed; (c) any amendment is made to Article 4A, Article 4B or this Article 27; or (d) the number of authorized Class B

Ordinary Shares is to be increased; the prior approval of the Meeting of holders of Class A Ordinary Shares is required, which resolution requires a majority of at least three-fourth (3/4) of the votes cast at such meeting.

Article 28.

1. The General Meeting shall have the power to resolve to wind up the Company, provided with due observance of the requirement laid down in Article 27.
2. Unless otherwise resolved by the General Meeting or unless otherwise provided by law, the Directors of the Company shall be the liquidators of the Company.
3. The surplus assets remaining after (i) all the Company's liabilities have been satisfied, (ii) all profit reserves and other dividend entitlements have been distributed, shall be divided among the holders of the Shares pro rata to the total number of Shares held, albeit that (i) the holders of Class C Ordinary Shares shall be entitled to a maximum amount of one eurocent (EUR 0.01) per Class C Ordinary Share.
4. After completion of the liquidation the books, records and other data-carriers of the dissolved Company shall for a period of seven (7) years remain in the custody of the person whom the liquidators have appointed for that purpose in writing.
