1st Liens:

Prepayment penalties are eligible for business purpose transactions on non-owner and investment properties. See the Matrix and Ratesheet for details.

Prepayment penalties on primary residence and second home transactions are prohibited.

Total points, fees, and APR may not exceed current state and federal high-cost thresholds.

Note: States may impose different definitions of points and fees, rate/APR, or prepayment penalties than apply under HOEPA. States may also use different triggers in each category for determining whether a loan will be a "high-cost mortgage" (or equivalent terms) under state law. Pre-payment penalty must be in compliance with the terms and limitations of the applicable state or federal law.

For all CES loan transactions (primary residence, second home, non-DSCR investment), prepayment penalties are prohibited.
