

# RAISING CHANGEMAKERS WITH HEART

Global Education | Leadership | Future-Ready Skills

# EVERY CHILD CARRIES A SPARK.

At CBS, we turn that spark into purpose through learning that inspires, challenges, and empowers.

IB

# THE CBS LEADERSHIP SIGNATURE

## **Leadership-driven learning framework:**

Learners take charge of their journey through self-driven learning, ownership of ideas, and active participation by building confidence, voice and leadership from day one.

## **Technology-enabled experiential education:**

Hands-on learning comes alive through Innovation Lab projects and AI-enabled tools that encourage experimentation, problem-solving and future-focused thinking.

## **Global exposure & diverse community:**

Technology exchange programs, international partnerships and a multicultural campus environment prepare learners to thrive in a connected, global world.

## **Strong focus on real-world skills:**

Learning is anchored in UNSDG-based projects, problem-based learning, and podcast experiences that develop critical thinking, collaboration and communication.

## **Safe, caring, future-ready campus:**

A dedicated healthcare unit, robust safety protocols, and a nurturing environment ensure learners feel secure, supported and ready for what's ahead.
