

Empower Your Students with Work Readiness and Paid Internship Opportunities!

ENABLE/Wildcat Services, Inc. offers Pre-Employment Transition Services (Pre-ETS) for students aged 14 to 21.

We are eager to collaborate with your school to offer a dynamic program for eligible students! This includes comprehensive work readiness training and a paid internship opportunity. The ENABLE Paid Youth Internship Program, funded by the Department of Vocational Rehabilitation Services (DVRS) comprises:

- 3 weeks of pre-internship work readiness training
- A paid internship lasting between 75 – 150 hours
- 3 weeks of post-internship work readiness

Student Eligibility Criteria

- Aged 14–21
- Requires minimal job coaching
- Registered with DVRS Pre-ETS
- Suitable for travel training (Uber or bus)
- Has a valid ID (NJ or School) and a social security number

Program Timeline

- Initial three weeks of work readiness training at the school, during or after school hours
- Paid internship for 75–150 hours, related to the student's career interests
- Final three weeks of job exploration and career planning at the school

Incentives and Stipends

- \$100 weekly incentive during pre and post-internship work readiness (\$600 total)
- Paid internship at \$18/hour
- Clothing allowance for professional attire
- Backpack with school supplies
- Reimbursed travel expenses (Uber, bus passes, or mileage)
