## Highlight Your Marketing Message

This could include anything from highlighting a new menu item to showcasing a seasonal promotion.

## Updates & Flexibility

Instantly change menu content and pricing across the entire organization streamlining brand consistency and/or adapting to specific demographics.

## Reduce Cost

Reduce printing cost and save the unnecessary time it takes to manually update static signs each time the menu changes and/or is updated.

Enhance Customer Satisfaction and Drive Sales with Digital Menu Board Solutions

## Schedule, Segment & Publish

Our CMS handles content updates, scheduling, publishing, segmentation of content based on demographics, day-parting, initial and expiration dates.

## Manage Your Menu Remotely

As long as you have an internet connection you can easily log in via a web browser and check the status of your network from wherever you are in the world.

## Influence Customers' Buying Decisions

Studies revealed nearly 30% of customers find digital menus influential for purchasing a product.
