UK OSINT COMMUNITY

THE GLOBAL **OSINT** CONFERENCE

Location: London
Date: 5th October 2026
Attendees: 300-500

Attended by industry leaders

Bringing together 300+ professionals across policing, defence and intelligence, to learn from domestic and international leaders in the space.

Furthering NATO defence goals

OSINT is now central to NATO defence. This conference accelerates capability building through real world knowledge sharing.

Vendor showcasing

Vendor showcases from top OSINT and intelligence companies. Providing a space for vendors and government to problem solve.

Who We Are?

3000 Members

20,300 Social Followers

2800+ Event Attendees

1,103,109 Social Reach (2025)

The UK OSINT Community is a volunteer run not-for-profit company focused on bolstering sovereign European intelligence capabilities. We bring together professionals from military, policing, private intelligence and journalism in regular events across the United Kingdom.

What We Do?

Already a global hub for private intelligence, London now hosts its first conference dedicated entirely to open-source intelligence.

The OSINT Conference cements the UK's role as a leader in European intelligence.
