Dear SOFBK Families,

Please be advised that tomorrow, Monday, January 26, 2026, School of the Future Brooklyn will pivot to remote learning. All NYC Public School buildings will be closed, and students and staff are expected to participate in live, synchronous instruction for the full school day.

### Daily Schedule

- 8:30 AM: Students log into Google Classroom to complete attendance and review the day's information.
- 9:15 AM: Live instruction begins with 2nd period teachers.
- Instruction will continue until 2:50 PM.
- Lunch: 12:30 PM – 1:15 PM.
- Class links will be available in each teacher's Google Classroom.

To ensure remote learning closely mirrors an in-person school day, students are expected to have cameras on during live instruction so teachers can monitor engagement and ensure students are attentive and participating.

This information will be shared on our school website, school social media, Jupiter Ed, and Google Classroom. If you have any questions or concerns, families may contact Mr. Aponte, our Parent Coordinator, myself, or any staff member whose contact information you have.

Thank you for your continued partnership and support.

Yours in Education,

Zetelia Valmon  
Principal
