

ELFIN OAK

COLLECTION

With mischievous charm from the forest, ELFIN is a stool, born from the language of wood itself, where concave and convex merge in a single, seamless gesture.

A sculptural presence, ELFIN shifts between function and form, between seat and surface, between art and object.

Crafted from unique oak staves, the ELFIN stool's rhythmic vertical lines rise like timbered echoes of ancient groves, each stave telling its own quiet story of growth.

A solid, block-joined top, meticulously carved and dished, reveals the intricate beauty of nature's fingerprint, an end grain beautifully captured in time.

This top is both a cradling seat for the sitter or a beautiful resting place for treasured objects.
