

FELINE

COLLECTION

There's a moment, just before a cat moves, when time seems to still. Muscles coiled, breath held - grace and power in perfect balance. This is the spirit of FELINE.

A collection of low-slung tables inspired by the stealth and poise of the feline form. Simplified but never simple, FELINE moves in silence but commands the room.

This might have something to do with its confident three-dimensional solid form - cantilevered tops, sculpted with purpose or the delicate resolution of the solid timber edging; refined, robust and streamlined.

Rotate FELINE. Pair them with the softer profiles in our range or create a FELINE family of varying table heights. This is a table range distinctive in its balanced stance and undeniable solidity.

FELINE coffee and side tables are made to order in a range of heights and sizes, with optional stain finishes.
