

Seamless tech, backed by five-star IT support

Technology plays an increasingly important role in providing your guests with the service and experience they're looking for. Starting the moment they walk into reception and continuing even past them checking out, your technology needs to deliver.

clarityitservices.co.uk

Finding an IT support solution that will keep all aspects of your technology running smoothly is not easy. Many hotels face challenges with providers who don't fully understand the hospitality sector's demands.

With 30 years of experience in the hotel industry, Clarity IT Services has the knowledge and experience you're looking for.

WHY USE CLARITY IT SERVICES?

- ✔ We manage all your IT issues, no matter what technology is letting you down
- ✔ Strong expertise in PMS and POS systems and integrations
- ✔ Excellent working relationships with most of the top hotel systems providers means we get issues resolved fast
- ✔ We work with some of the biggest names in the industry

"I have used Clarity for all our IT needs across four businesses over the past +10yrs. They are dedicated, personal and committed to ensuring we have the best possible system and procedures across our hotels. I am pleased to have them as our IT partners"

HECTOR ROSS

"We are very happy with the IT support and helpdesk provided by Clarity. They are very responsive and easy to work with. It is clear that they really care about and understand our business and they operate as if they are part of our team"
