## PRESIDENT'S REPORT

How good was the Christmas lunch on 2<sup>nd</sup> December? I thought that the 2024 show was big but this one was even bigger ... we had 200 attendees who spent the afternoon catching up with old friends. It really is wonderful to see so many people talking, laughing and generally having a good time. Lots of good and some not so good (but funny all the same) stories were told and re-lived.

On a personal front I was pleased to be on the **Ceduna** table with 9 others who all worked there in the 1970s. Would have been 10 others except that **Russell Jolly** was a late withdrawal ... hope that you are feeling better now Russell and can make it next year.

We were privileged to welcome **Mr Tony Perugini** who joined us for lunch as our guest and as the representative of the ANZ Bank. ANZ continues to be a very strong supporter of our Club financially and in other ways and in fact I am yet to hear of any employer who is more supportive of their Retired Staff than ANZ is of us. For that we remain very grateful.

Every successful function needs a good organiser and we are lucky to have one of the best. I thank our Secretary **Lyn Roberts** for doing such a great job with the Christmas Lunch again.

### Last report as President

Well, the time has come to say farewell. This is my 12<sup>th</sup> and final report as President and I simply I want to say how much I have enjoyed the role. It has been a privilege and an honour to serve as President of such a great Club. I think that all of us are extremely fortunate to have worked during a great era in banking and then in our retirement to have a Club that holds functions and provides newsletters etc to enable us to maintain contact with old colleagues and friends. It really is special ... and I take great pride in telling non ANZ people just how special it is.

### Committee 2025

I have been fortunate to work with a terrific Committee during my time as President ... every person on the Committee contributes strongly as evidenced at the Christmas lunch via the room set up, name tags, welcoming team, the raffle sales, the special guest Father Christmas and his elves and so on. As a Club we are fortunate to have people who are so willing to be involved and I thank all Committee members for their work this year. A special mention and thanks to three of our Committee members who have served 10 years or more ... Stan Batten 31 years, Marilyn Osborne 13 years and Peter Crowder 10 years.

### AGM on 2<sup>nd</sup> February

We will be honouring our Life Members and Honorary Members at our AGM and I invite all members to come along and acknowledge the pioneers of ANZROC for the work that they did in the early days that gives us the Club that we have today. Who knows, without their efforts we may not even exist anymore or for that matter the Club may not have even started up! We owe them so if you are able, please come along on Feb 2. Hope to see you there.

### Cheers BP

## HONOURING AND RECOGNISING OUR HONORARY MEMBERS AND LIFE MEMBERS

At our February lunch we will be feting our **Over 80's (Honorary Members) and Life Members**, in a break with the tradition of conducting this recognition at November lunches (where Melbourne Cup celebrations overtake).

Whilst February is also our Annual General Meeting (this doesn't take long) there will be ample time for us to hear from some of the "Hons" attending.

We recognise it is a little bit more difficult to get out and about when the "big 8" comes along and appreciate so many of you who are still regulars at our lunches. President Brian and Committee Members look forward to especially welcoming you on 2<sup>nd</sup> February.

Let's look back. **Australia and New Zealand Banking Group Limited celebrates its 75<sup>th</sup> anniversary in 2026.**

The merger between the Bank of Australasia and the Union Bank of Australia took place on Monday 1<sup>st</sup> October 1951 thus forming the ANZ Bank. At that time there were more than 5,000 employees.

The Bank of Australasia was established in 1835 and the Union Bank of Australia in 1838. Both banks were originally founded in London with operations in Australia. The Union Bank of Australia was also New Zealand's first bank when it opened in March 1840.

In October 1951 –

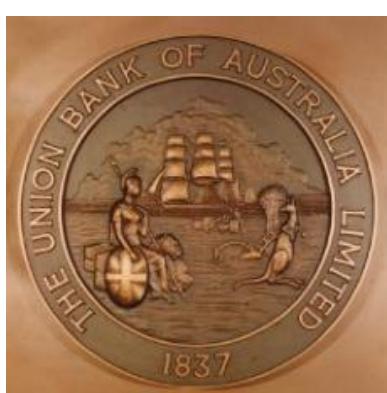

- Sir Robert Menzies was Australia's Prime Minister
- Sir Thomas Playford was Premier of South Australia
- The Adelaide News was being sold for two pence.

- Homes had kerosene refrigerators
- Carlton Brewery was warning about beer shortages in the lead up to Christmas

A full-page advertisement appeared in the "Melbourne Sun" newspaper declaring the merger of the banks. It stated:

"The traditions of service, courtesy and goodwill which have always characterized the relations of the Bank of Australasia and the Union Bank with their customers will be full maintained by the Australia and New Zealand Bank Limited"

Our membership currently lists four former Union Bank staff – **Don Ebsary, Arthur Beckman, Dawn Forde and Bob Fosdike** – with just the one Bank of Australasia staff member, **Don Nenke**. (Hope you don't mind me mentioning you are all over 90 years of age!!) Fingers crossed our records are correct.

## DECEMBER LUNCH REPORT by Marilyn Osborne

An amazing roll up for 2025 Christmas lunch – 200 Members! The smiles on faces, the noise and fun were a joy to behold.

President Brian (Barney) Pedler welcomed everyone including several Members who had travelled long distances to join former colleagues – Ian Hackett from Scotland, Leonie Thornton from London (England), Wayne Kraft from Alice Springs, Shane and Glenda Thornton from Darwin, John and Ruth Whitehill from Indooroopilly, Qld, Neville and Nicole Woolley from Melbourne, David and Denise Lawrence from Woodend, Vic, Ray and Jenny Pietsch from Melbourne. It was wonderful to see you all there enjoying the day.

Members attending their first lunch included Leonie Thornton, Jenny Wilson, Karen Erlandsen, Keith Hoffman, Simone Barlow, Bec Cialini, Tracy McIvor and Shane Thornton.

There were 14 apologies received – David Shannon, Jeff Pinkerton, Robert Brooks, Geoff Glynn-Roe, Carol Lake, Phil Pizimolas, Beth Polacek, Shane Pudney, Bob Petney, Zena Chapman, Ray Nicholson, Norma Williman, Steve Crawford and Rob Rault.

President Brian announced the drawing of the Birthday raffle for the months of January and February. Those with birthdays in these months had to be present to be eligible. Winners were Cor Schaftenaar and Michelle Humphries.

The arrival of Father Christmas was greeted with shouts of delight. With a sack full of raffle tickets, the draw began with the first ten winners receiving a bottle of wine or a complimentary lunch for next year – Denise Lawrence, Kathy Mangelsdorf, John Garrett, Mike Edson, John Whitehill, Cathy Downey, Dennie McCloud and Harry Downey were the first winners. Second prize was a \$50 Coles Myer voucher and this was won by Anne Sanderson. Brenda Dombi took out the big one - \$100 Coles Myer voucher. Congratulations everyone.

While the raffle was in full swing Father Christmas' helpers – Kay Jeffree, Sue Phillips, Jenny Short and Jane Crowder dressed in their festive attire distributed small gifts to attendees.

Staff at the Strathmore all did a fantastic job of looking after everyone – Louis had the bar running at full steam – and the food was excellent as always. Shortly before 4 pm those still chatting were moved downstairs and I believe it was very late when the last of them departed for home. Sometimes you just don't want a good day to end.

Congratulations to my fellow Committee Members who organised the day so well. I am sure you will agree it was a great team effort.

## 60 YEARS OF AUSTRALIAN DECIMAL CURRENCY

In 1910, nine years after Australia federated as a nation, a national Australian currency was formed, based on the British money system of pounds, shillings and pence.

Australia's change to decimal currency on **14 February 1966** was not just a change in numbers; it was a cultural shift. Gone were the days of pounds, shillings and pence and their complex calculations. In their place a simple, modern system of dollars and cents. Schools, businesses and households had to adjust to a new way of counting, and the Government launched one of the most memorable public education campaigns in Australian history. Enter "Dollar Bill", a friendly cartoon character who popped up on television, posters and pamphlets, cheerfully explaining the new system. His catchy jingle, Decimal Currency - The Easy Way! was designed to ease fears and help people make the transition smoothly.

The lead-up to decimalisation took years of planning. A Decimal Currency Board was established to guide the process, and a nationwide competition was held to choose a name for the new currency. When Changeover Day arrived, it was met with a mix of excitement and trepidation. Shopkeepers and banks braced for confusion, but thanks to extensive public education, the transition was smoother than expected.

The Royal Australian Mint is the sole producer of the nation's circulating coins, transforming raw metal into the everyday change in your pocket and meticulously crafted collector coins.

Before decimal currency, many Australians enjoyed the Christmas tradition of putting threepences and sixpences in their Christmas puddings, to be found by lucky family members during Christmas lunch. Sadly, decimal coins are made of different metals and are not suitable to mix with food. (many of us miss this....a lot!!)

Many of Australia's one and two cent coins were melted down to be turned into the bronze medals for the Sydney Olympic Games in 2000. These coins had been to many places in the country, and had been touched by many different people.

**As Bankers many of you reading this story will have memories of the old currency and the changeover to the new. Let us know if you have a changeover story so that we can share with everyone in the next newsletter.**
