

**PRAXIS
WORKSHOP**
08–09/11/25

Dear Dealers,

a large part of the tickets for the Praxis Workshop has already been sold – we're delighted! Thank you to everyone who has already secured their ticket.

If you haven't booked yet: ticket sales run until **31 October** via the Hase Bikes **configurator**, just like your bike orders.

On **8 and 9 November**, we'll meet at the Zeche site in Waltrop, where we'll present all the latest updates on our models and systems – exclusively for you.

The Praxis Workshop has become our most important format for product updates, service know-how, and direct exchange with our team.

Many topics that used to be presented at Eurobike will in future be shared first in Waltrop.

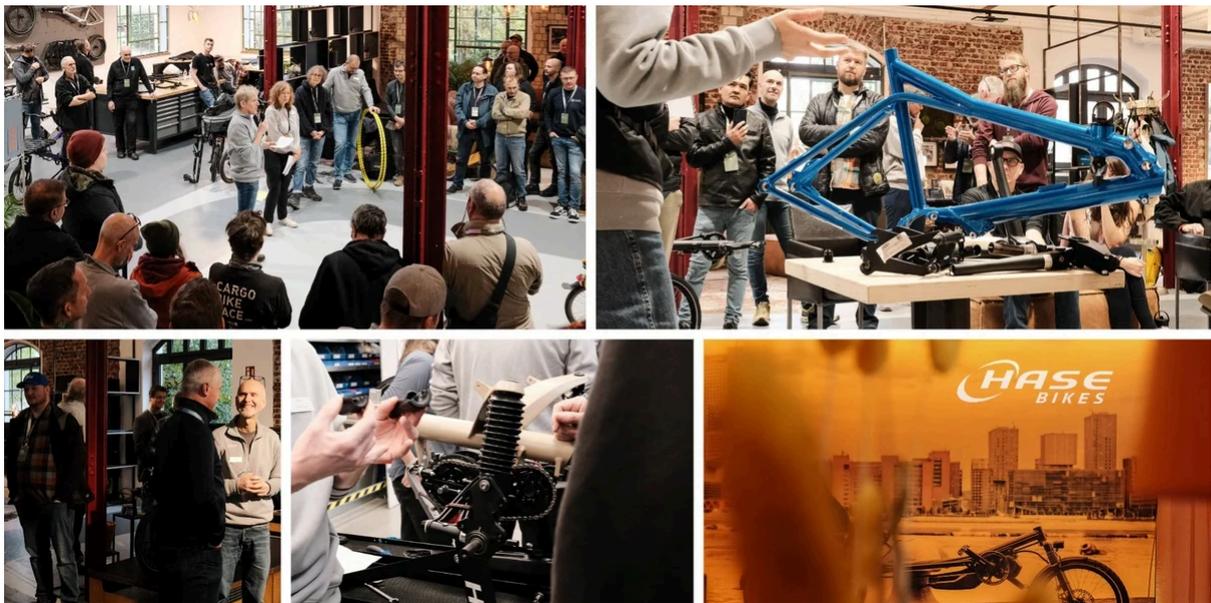

What to expect at the Praxisworkshop 2025

- Exclusive news on the Kettwiesel ONE
- New content on service and digital tools
- Hands-on workshops for sales and consultation
- Special sessions for new dealers
- Test track, special sale, and evening event

All workshops at a glance

If you'd like to know more about what to expect in the individual workshops, you can find the full programme with all details as a PDF here:

Important information

- Registration closes on **31 October 2025**
- **€180 per person**, including all workshops, meals, and party
- Tickets available only via the [Hase Bikes configurator](#)

We look forward to an intensive weekend with you in Waltrop – full of new ideas, good conversations, and plenty of hands-on practice.

Best regards

Your **Hase Bikes Team**
