Harmony project

Natuzzi Italia

The Harmony Project aims to offer a unified working method that ensures chromatic and stylistic harmony, preserving the brand's DNA.

This tool is intended to be more than just a product offering, aiming to harmonize an entire interior design project.

Campus

The Campus collection is an invitation to live and share unique moments in an environment that reflects elegance and timeless style. The Campus Dining Table is the beating heart of the collection. Its top, enriched by the presence of natural stones of excellence such as marble, makes it a central and unmistakable element of the living space. This table is not just a piece of furniture, but a true protagonist of the space, capable of meeting the most sophisticated needs.

Design by Mauro Lipparini

Lipparini is an eclectic architect and designer who expresses his creativity in all areas: complex industrial projects, interior architecture, installations, study of products. He is one of the leading figures of "Italian minimalism", internationally successful, and his talent earned him many recognitions. Recognized in competitions around the world such as the Good Design® Global Awards

Versatile Beauty

The Campus table is available in various sizes and shapes, perfectly adapting to any space and style requirement.

Technical Features

The Campus table evokes timeless design, combining high-quality materials and functionality.

High-Quality Materials

Crafted with precious marble tops that are shaped, polished, and sealed for a smooth finish that enhances the stone's veining patterns and natural color contrasts, offering a durable and visually impactful surface. The top is available in polished Calacatta Verde Marble and polished Calacatta Gold Marble, treated with a water-repellent varnish and supported by a quartzite panel for increased strength and durability.

Ceramic Top

The Macchia Vecchia top is a modern, high-performance material reinforced with quartz agglomerate for greater resistance. Our ceramic is guaranteed and certified to offer water resistance, abrasion resistance, and stain-resistant properties.

Metal Base

The base is made of laser-cut metal, polished and then nickel-plated and painted. The base is enriched with solid wood inserts that add a touch of warmth and naturalness.

Non-slip transparent feet

The transparent polycarbonate non-slip feet are designed to provide exceptional stability and safety.

Natural Characteristics

The intrinsic variations in the color, structure, and veining of the stone are predictable and celebrated. Each piece is unique, and no two are exactly alike.

Italian Craftsmanship – Made in Italy

The Campus table is entirely made in Italy, synonymous with craftsmanship excellence and attention to detail.

Style and Elegance

Thanks to its refined aesthetics, the Campus table becomes the focal point of the living room, attracting attention and enhancing the entire environment.

Technical Features

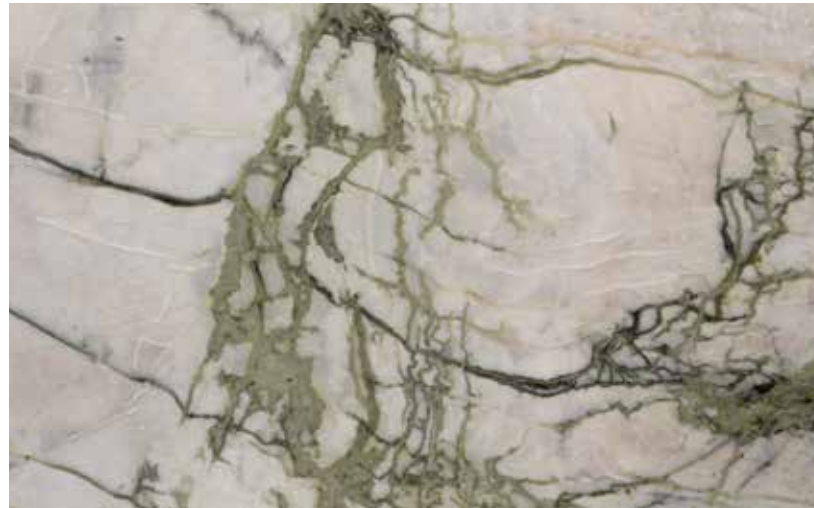

Elegance and Refinement of Marble Surfaces

Marble surfaces represent the pinnacle of elegance and refinement, transforming any environment into a timeless luxury space. Each slab of marble is a work of art by nature, with color variations and patterns that make every surface absolutely unique.

CALACATTA VERDE MARBLE

Elegance and Natural Uniqueness

Calacatta Green Marble is a precious stone characterized by a white background with irregular green veins, making each slab unique. Originating from Asia and processed in Italy, it belongs to sedimentary sandstones, with gray crystals and stones distributed unevenly, enhancing its natural beauty. The surface is polished and finished with a water-repellent treatment. Thanks to the filling and resin treatments, the marble has a uniform finish, ensuring a refined and durable style.

CALACATTA GOLD MARBLE

TIMELESS LUXURY AND REFINEMENT

Calacatta Gold Marble is a luxurious natural stone, appreciated for its elegance. With a white or cream base, it exudes brightness and refinement, enriched by bold veins in golden, gray, and taupe tones. The golden veins add opulence, making each slab unique and visually captivating. Another distinctive feature is the presence of crystalline quartzite deposits or other natural stones, which accentuate its uniqueness.

Italian Origin: An Added Value

Being a stone of Italian origin adds value to Calacatta Gold Marble, renowned for its superior quality and the craftsmanship excellence employed in its processing.

Technical Features

Innovation and Elegance for Modern Design Macchia Vecchia Ceramic is a modern, high-performance material designed to meet the needs of an ever-evolving market, where beauty must always be paired by efficiency and safety. It features an ivory white background with prominent veins in shades ranging from dark gray to light gray, beige, and rust.

MACCHIA VECCHIA CERAMIC

Exceptional Durability

Thanks to its resistance to water, abrasion, and stains, Macchia Vecchia ceramic maintains its beauty and integrity over time.

Color Resistance

The ceramic is designed to withstand light, keeping its vivid and attractive colors even after years of exposure, ensuring a fresh and new appearance.

Ease of Maintenance

The stain-resistant properties of Macchia Vecchia ceramic make cleaning and maintenance simple and quick, saving time and resources.

Mechanical Strength

The fiberglass treatment of the sub-top increases mechanical strength, making the material suitable for intensive use without compromising its integrity.

Aesthetic Versatility

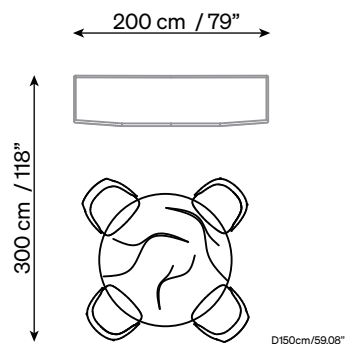

Macchia Vecchia ceramic adapts to various interior styles, from classic to modern, offering a versatile solution for any design project.

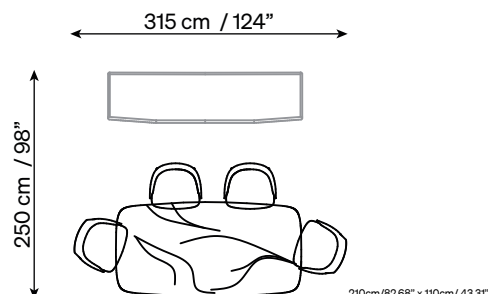

Layout Examples

Our dining table collection is designed to fit any dining area, offering a range of configurations to optimize space and enhance the dining experience. Available in a round size with a diameter of D150 cm, in two medium sizes L 210 cm and L 250 cm, and in a beautiful rectangular version of L 300 cm, these tables offer flexibility to suit different room needs. Here are some layout suggestions to inspire you:

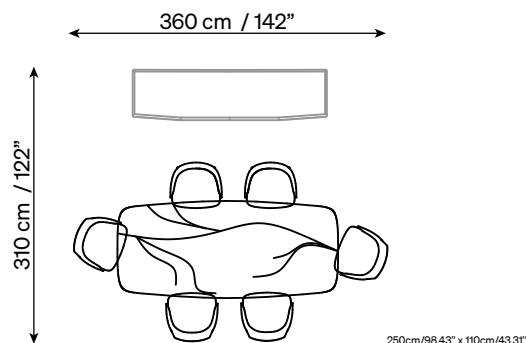

DIM: 7 SQM / 75 SQ FT

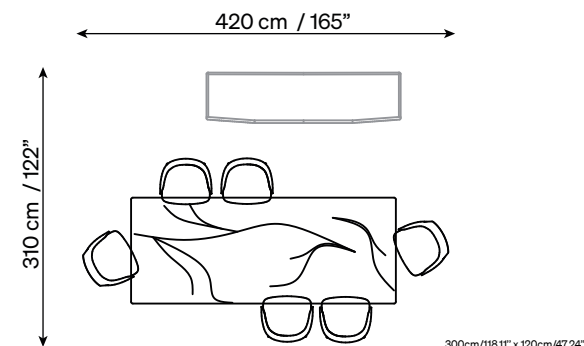

DIM: 8 SQM / 86 SQ FT

DIM: 11 SQM / 118 SQ FT

DIM: 13 SQM / 140 SQ FT

Moodboard warm neutral 1

To achieve harmony in every project, the Natuzzi Style Center carefully selects materials and coverings. In this case, Tobacco Ashwood and Calacatta Gold marble have been paired with Stromboli leather in a warm natural mood. The harmonization of these coverings with woods, marbles, and metals will create the moodboard that defines the final look of the project. Each model in the collection is presented with multiple moodboards to suit all market geographies.

Moodboard warm neutral 1

Each element is carefully chosen to create a coherent and refined environment, where every detail contributes to a unique aesthetic and functional experience.

Dining Chair Valle

Valle is the perfect blend of timeless design and modern functionality. Available with two backrest versions, it features a swivel mechanism, ensuring comfort and versatility in any environment. Choose the Valle dining chair to complete your decor with style and functionality.

Superior Comfort

The seat and backrest are made of fully upholstered curved plywood with polyurethane. The polyurethane padding with leather or fabric coverings offer exceptional comfort.

Elegance and Design

The base is made of solid wood available in different finishes, enriched with a polished and painted steel insert that adds a touch of warmth and naturalness. The seat features a 360° swivel mechanism that allows free rotation. This makes the chair ideal for various environments, always ensuring maximum comfort and functionality.

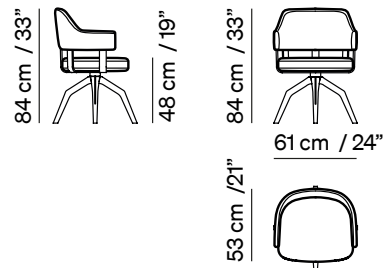

Customization

The Valle chair is available in a wide range of leather and fabric colors, allowing for extensive customization. Available in Le Mans and Stromboli leather and Laguna fabric (in various sample colors).

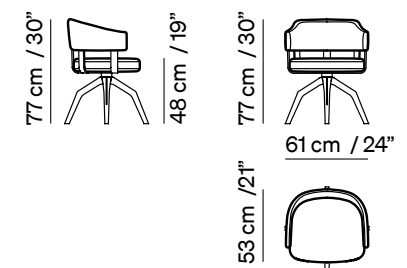

Italian Craftsmanship

The Valle chair is entirely made in Italy, synonymous with craftsmanship excellence and attention to details.

Sideboard Campus

The Campus sideboard program is perfect for various decor styles and functions. Available in both TV Stand and Sideboard versions for the dining area.

High-Quality Materials

The base is made of laser-cut steel sheet, polished, nickel-plated, and painted, with solid wood detail inserts that add a touch of warmth and naturalness. The structure of the sideboards is made of MDF in various wood finishes, fully finished even on the back. It is recommended to avoid direct sunlight and heat to protect the finish.

Dining Sideboard - Refined Aesthetics and

Organization Equipped with tempered bronze glass shelves, present in both the central and side sections. The sideboard features an internal wooden drawer with soft-close. The doors, with Push-Pull opening, have a frame and details in solid wood slats, enriched with transparent bronze tempered glass for a sophisticated look.

TV Sideboard

The TV unit has a fully lacquered glossy central compartment, equipped with a cable hole and a central shelf in transparent tempered glass. The central doors in transparent ribbed glass with an aluminum frame and push-to-open mechanism combine aesthetics and practicality. The side compartments, entirely made of wood veneer, are equipped with cable passages communicating with the central part.
