

PREMIUM ALL NATURAL BLEND

NB-05 DATA SHEET

WAX NB-SERIES

MODERN CANDLE™

DESCRIPTION

The NB-05 Premium Natural Blend is tailored for fragrance-centric candles, it is suitable for high-cost fragrances, allowing you to utilize lower loads of fragrance. This blend offers a smooth and creamy texture ensuring uniform candles. It provides effective fragrance release, enhancing both cold and hot throw capabilities. The NB-05 is composed of natural ingredients, tested to ensure high release of fragrance. It is ideal for premium candles.
