The Iris Bungalow charmingly combines modern and contemporary architecture for a sleek, sophisticated look that perfectly complements the lush tropical landscape surrounding the development. Situated at a strategic corner of the enclave in a North-South orientation, Iris Bungalow boasts a 270-degree panoramic view from every level, towards the rainforest and Subang view. On a clear day, the line of sight stretches as far out as the PJ Trade Centre at Damansara Perdana. If that's not perfect enough, the ground floor large swimming pool is located on the lower ground level to jive with the wonderful landscape. With spacious floor plans and interiors designed to suit form and functionality, Iris Bungalow exudes luxurious garden living in a resort ambience.

- Tiered topography ensures unobstructed 270-degree panoramic view
- Roof top garden
- Swimming pool located on the west of the building to enhance the cooling environment for better comfort
- Spacious interiors with high ceilings
- Total security features
- Modern and stylish elevator comes with resistant glass and touch sensitive car operating panels
