Every aspects of the Aspen Semi-D units capture the garden resort ambience for a harmonious living experience. These luxurious homes are designed with dual entries at the ground and lower-ground floor, where a lovely private garden with water features welcomes you. Take an elevator ride to the roof top garden and you'll find a specially crafted cantilevered infinity swimming pool, which offers a spectacular view towards the city skyline.

Relish an enviable lifestyle in splendid interiors with quality finishing and eclectic floor plans. The living room faces a tropical rainforest reserve and offers ample space for you to relax in total serenity. The spacious walk-in wardrobe of the master bedroom is tucked away to give you unhindered views of the sunset or sunrise. The en-suite master bathroom comes with an invigorating Jacuzzi and garden view.

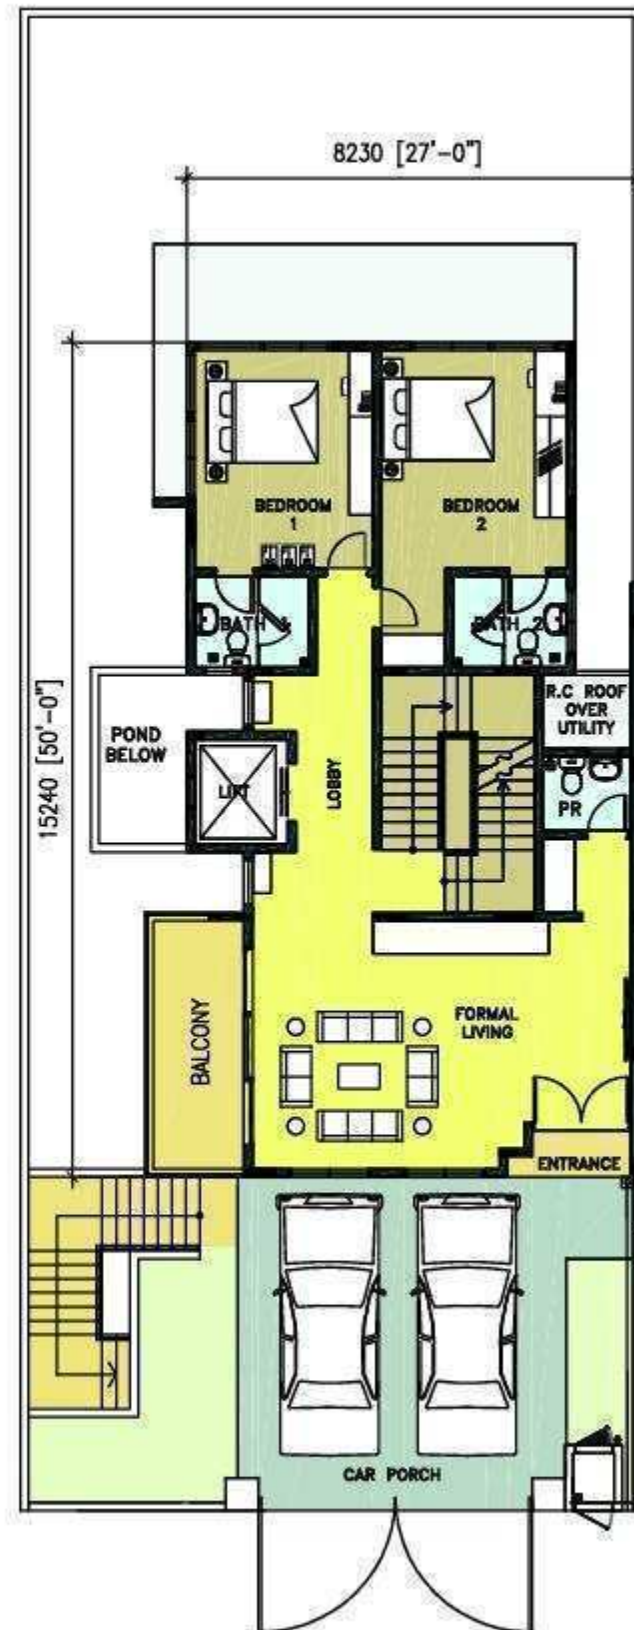

Aspen Semi-D inspires elegance and serene living in harmony with nature.
