PADEL

The world's fastest growing sport – played like a mix of tennis and squash – is easy to pick up, incredibly fun, and difficult to master. The turf court is easy on the body and the glass walls add an exciting new dynamic.

We are proud to have two amazing padel professionals as coaches from Madrid, Spain – Coach Edu and Blanca – who are here to help your team get comfortable on the court!

PICKLEBALL

Located in our private Annex, our 2 indoor pickleball courts come with elevated seating / viewing areas and access out to our shared plaza.

The Annex transitions into a 5,500 sq ft event space perfect for presentations, cocktail parties, activations and more.

Delicious handcrafted drinks with fresh-baked pastries from Sugar & Twine delivered every morning. Our full cafe serves espresso and specialty drinks including matcha, chai, and our famous Tiramisu Latte.

THE PLANT CAFE

Our brand new Italian concept, Smokestack Pizza, will have you questioning if you are in Richmond or Rome.

SMOKESTACK PIZZA

WHAT'S IN OUR KITCHEN?

We serve 12" neo-Neapolitan style pizzas, 20" slices, sandwiches on our homemade focaccia bread, salads, and classic milkshakes.

Our ingredients are fresh from Italy and we use 72-hour fermented dough using real Italian flour.

From casual lunches to custom coursed meals, our kitchen can do it all. You can expect every bite to be something special.
