PRESIDENT'S WELCOME MESSAGE

OSSICON 2026 promises to be an enlightening and impactful event for bariatric and metabolic surgeons, healthcare professionals, and researchers dedicated to combating obesity. By focusing on the theme "Transforming Lives: Innovative Strategies in Prevention and Treatment of Obesity," the conference aims to explore holistic approaches that address the root causes of obesity, rather than just its symptoms. Attendees will have the opportunity to delve into groundbreaking research and technological advancements, as well as participate in discussions that promote a multidisciplinary strategy.

DR RANDEEP WADHAWAN
PRESIDENT, OBESITY & METABOLIC
SURGERY SOCIETY OF INDIA (OSSI)
