

PRODUCT INFO

Handset Holder (Set)

The idea we had was an additional handset holder that prevents the handset from falling out of the holder that is already attached to the steering wheel mount.

Steering wheel with mounted **Handset Holder**

Mounted **Handset Holder** in use

Mounted **Handset Holder** in use

How to position the **drilling template**

Easy installation with **Allen Key**

Article Number of the Set: **314989**
