

PRODUCT INFO

Update: Adapter Plate

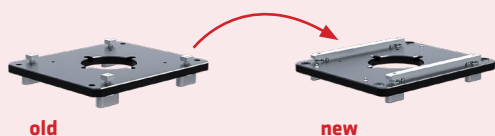

Part number: 300374

Designation: Adapter Plate

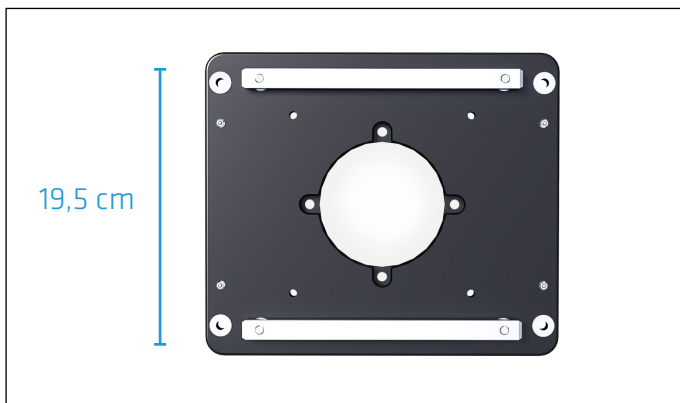

Weight: 1,5 kg / 3,2 lbs

Improvements:

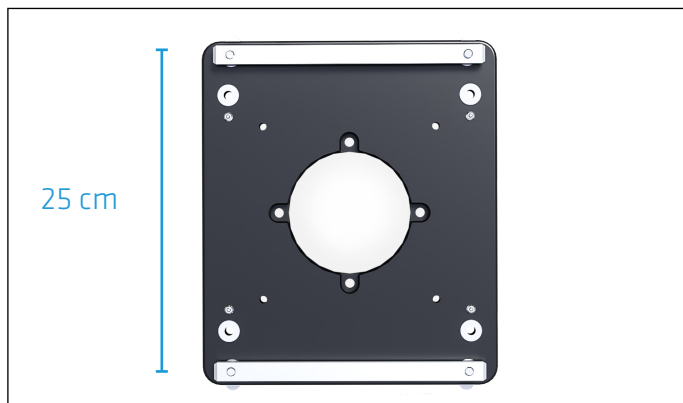

The new Adapter Plate for our Vario Slider comes with sliding strips instead of sliding blocks as before.

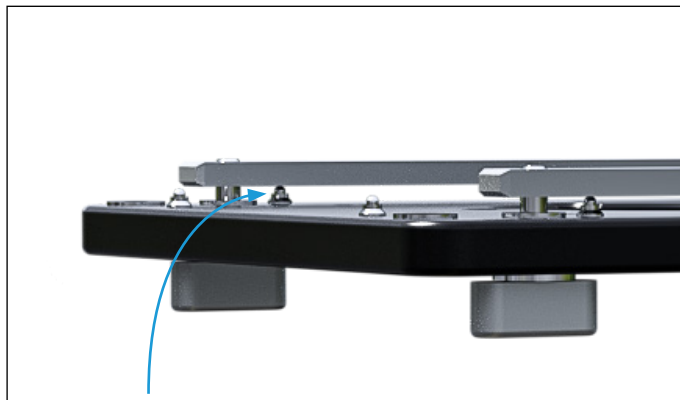

Usage:

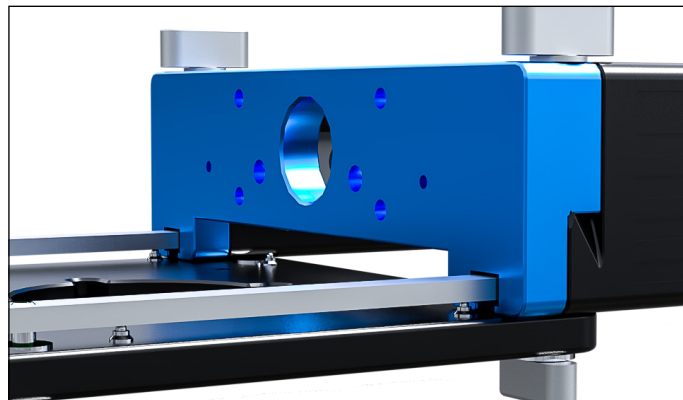

You can easily mount the Sliding Strips to your Slider Configuration. Here it is mounted for the 19,5 cm Small Version.

Mounting for the 25 cm Wide Version.

Spacer studs for easy insertion into the Slider T- Groove.

Sliding easy into the T-Groove.
