Six Core Truths of the Gospel

1. God created us to be in a relationship with Him

This is the basis for all human value, purpose, morality, identity, and relationships.

2. Our sins separate us from a Holy God

This is the cause of all pain, suffering, and evil in the world.

3. We cannot fix ourselves

No good deeds, political system, book, philosopher, or self-help guru will solve our sin problem.

4. Jesus died on the cross and rose from the dead to pay the punishment for our sins

Jesus's work on the cross is the only solution to our sin problem.

5. Everyone who trusts in Jesus alone will be reconciled and have eternal life

Jesus's work on the cross is our source of forgiveness, acceptance and hope for the future.

6. The Holy Spirit empowers us to live life with Jesus today

When we make Jesus Lord of our life, the Holy Spirit gives us supernatural love, joy, and peace, and an identity and purpose that cannot be shaken.
