# WHY OUR PADEL COURTS ARE THE BEST?

## Laser cutting + Robot welding

**3D** design.  
Robotic manufacturing **avoiding to cut-drill the structure** during the installation and so **rust starting**

## Anti-Injury + Stop noise mesh

**Real anti-injury** system for players hands.  
**Noise reduction** allowing players comfort during ball bounce

## n°1 Padel Turf brands

**World reference padel turf brands are proposed** depending on customer budget and needs:

**MONDO | REALTURF | BELLIN**

## 10 Years Long term Warranty contract is provided

The way we manufacture and the quality of the materials used allow us to offer the **clearest and longer warranty commitments**

## Anti Corrosion treatment Certificate are provided

**Total protection against corrosion:**

- **C5++** level: Hot Dip Galva + plascoat + Powder coating

## HIGH Wind resistance up to 262 km/h Certificates are provided

**Wind resistance on the metallic structure:**

- Certificates of wind resistance required by **Insurances** are provided for each model of our court

## EUROCODES compliant Certificates are provided

**High performance load forces on the metallic structure:**

- Certificates of load forces required by **architects** are provided for each model of our court

## Safe glass fixation system avoiding breaking

**Exclusive glass fixation system avoiding breaking:**

- Glasses are fixed to the metallic structure with nylon washers.
- No use of autoperforating steel screws

## Special Padel lighting with Anti glare system

**LEDs anti glare projectors specially designed for padel:**

- **Low consumption:** only 4x250W
- **+340lx** average with **0,8** uniformity

## Easy Instalalation & Low Maintenance costs

Our padel courts are extremely **easy to install and very lowcost to maintain:**  
High manufacturing quality saves 2000€/year/court in maintenance costs

## 100% SAFE Packaging

We spend **+1.000€ per court to ensure you court will arrive PERFECT** at your facility, without any scratch and damage **avoiding immediate starting and non stop rust**

## A to Z consultancy on turnkey padel court & Maintenance

Our **+40 Dealers** networks will advice and guide you during the installation of your padel courts, **from crivil to installation, including post sales maintenance as well.**
