

Website Disclaimer

The information on this website is provided to give an overview of our work and the services we offer as a UK-based product design company. While we take care to keep everything accurate and up to date, the content is for general guidance only and shouldn't be relied on as technical, engineering or legal advice.

No professional advice

Any examples of projects, design approaches or technical references are shared for illustration. They are not a substitute for professional advice specific to your situation. If you're planning a project or need detailed guidance, please get in touch so we can discuss your requirements properly.

Accuracy of information

We make reasonable efforts to ensure the content on the site is correct, but we can't guarantee that everything is free from errors or omissions. Information may change without notice.

Use of the website

You use this website at your own risk. We are not responsible for any loss or damage that may arise from:

- Relying on information on this site
- Inability to access the website
- Any interruptions, errors or technical issues
- Viruses or other harmful components (although we try to keep things secure)

Nothing in this disclaimer limits or excludes liability where the law does not allow it, including for fraud or personal injury caused by negligence.

External links

From time to time, we may link to other websites or resources. These are provided for convenience only. We do not control those websites and aren't responsible for their content, accuracy or data handling practices.

Design work shown

Any images, case studies or examples of design work on the site are intended to showcase capability. They don't grant permission for use, reproduction or adaptation, and they don't imply endorsement, partnership or availability of specific products.

No guarantee of availability

We try to keep the website available and running smoothly, but we can't guarantee uninterrupted access. We may update or remove content at any time.
