

Website Copyright Notice

Unless we say otherwise, everything on this website is owned by us — including the text, images, graphics, CAD renders, videos, and any other content we've produced. All rights are reserved.

Our content

The designs, concepts, drawings, visuals and project examples shown on this site are shared to illustrate the type of work we do. They remain our intellectual property (or that of our clients or partners, where applicable) and must not be copied, reproduced, distributed or used in any form without written permission. If you believe content has been used without permission, please get in touch to enable us to credit where necessary.

What you can do

You are welcome to:

- Browse the website for personal or business interest
- Share links to our pages
- Quote small sections of text for non-commercial purposes, if you credit us

What you can't do

You must not:

- Reuse or publish our images, CAD visuals, project examples or written content without permission
- Download or copy our materials for use in your own projects, pitches or commercial work
- Claim any of our content as your own
- Use our designs or examples to reverse-engineer, replicate or produce products

Client work

Where project images or examples relate to work carried out for clients, the underlying intellectual property may belong to the client. These items are displayed with permission for portfolio purposes only and must not be reused or replicated.

Requests to use our content

If you'd like to use or feature any of our content, please contact us first. In most cases we're happy to discuss usage, crediting and permissions on a case-by-case basis.
