
Floor Shield

Tagged text edition of the Havco product brochure. Brochure text, comparisons and diagram information are presented in a linear reading order. The original designed PDF is linked at the end.

Trailer Floor Protection that Goes the Distance.

SUPERIOR PROTECTION FROM THE #1 TRAILER FLOORING MANUFACTURER IN NORTH AMERICA

FS FLOOR SHIELD by HAVCO

WATER-BASED SEALANT DESIGNED FOR TRAILER FLOORS

- Zero voc
- No offensive solvent odor
- Fast drying
- Designed for interior use in dry van trailers.

Floor Shield Safeguards Your Investment

Developed for superior moisture protection on the topside of dry freight van trailer floors, Floor Shield by Havco® can be factory applied on new floors or field applied on trailers at fleet service stations. It is virtually odorless, contains no volatile organic compounds (VOC), dries in less than 20 minutes, makes a tack-free finish and is water-based, making it environmentally preferred.

Floor Shield by Havco® Is Leading the Industry

Low-Cost Protection

Quick, easy, affordable, effective and safe for use on laminated wood floors and Fusion Floor®.

Easy to Apply

Applied in the factory or field. For field application, Floor Shield is ready to use out of the bottle and dries in less than 20 minutes. Just sweep or blow dirt from the trailer floor and apply the formula with a garden or deck stain sprayer.

Golden Oak Tint

Helps to confirm even coverage.

Preserves Surface Traction

Floor Shield is slip resistant and is not waxy.

Zero-VOC Coating

Floor Shield is CARB compliant.

EXTEND THE SERVICE LIFE OF YOUR HARDWOOD TRAILER FLOORING
