General Financial Advice

There may be times where Limitless Wealth Group offers you general financial advice. You should note that general financial advice does not relate specifically to you and therefore may not be appropriate to your particular financial needs, objectives and financial circumstances.

You need to take this into account before deciding whether or not to act on it, it is recommended that you seek expert personal advice before acting.

Personal Financial Advice

Limitless Wealth Group and Lifestyle Asset recommend that you should always seek the advice of a qualified Financial Adviser. If we provide you with personal financial advice your initial discussions with a Financial Adviser should be treated as a Fact Find and you may be required to complete a questionnaire that includes personal information (You can obtain a copy of the Lifestyle Asset Management Privacy Policy by calling 1300 226 271 or emailing erm@lifestyleam.com.au). This is important as every situation is unique to the individual and the advice you receive should be tailored to your specific needs and at all times be in your best interest.

This information will allow your planner to prepare a Statement of Advice ("SoA") which you will receive at the time or as soon as is practical after the advice is given. This statement will set out the advice, why we believe the advice is in your best interests and any remuneration or other benefit that we, including your financial adviser and associates, may receive. We will also include details of any matter that might reasonably be expected to be capable of influencing us in providing this advice.

If you maintain a personal advice relationship with us, then generally we will not provide a SoA for further advice situations unless there have been significant changes to either your personal circumstances or the basis of the advice since your last SoA was provided. In these circumstances however, we are still required to keep a Record of Advice ("RoA"). You have the right to request a copy of the RoA at any time.

We are required by law to provide you with a statement of the services provided to you in the previous 12-month period. This will occur on the anniversary of the last Fee Disclosure Statement you received or the anniversary of the date you opened your account. This statement will include the Services that we contracted to provide, the Actual Services that were provided and the Fees, we charged you over this period.

This statement will also request your written consent for us to deduct fees for the coming 12-month period and include what those fees will be (or a close estimate).

Documents You May Receive from Us

As well as providing you with a Financial Services Guide (FSG), you may also receive a Statement of Advice (as above) (SoA), a Fee Disclosure Statement (annually), an annual consent form for us to continue to provide you with financial services and confirm what our fees will be for the coming year.

Where appropriate, a Product Disclosure Statement will be issued by the product provider containing information you would reasonably require making a decision about whether to acquire the financial product. The PDS will disclose details of any fees and charges payable for that product.

Information We Need from You

Depending on the type of service being sought, we may ask you to provide certain personal information to your adviser, either in writing or verbally. This may involve a quite detailed process of both qualitative and quantitative data collection. Please ensure that your adviser becomes aware of any changes that may be relevant when advice is given in the future.

- **What Information Do We Retain About Clients** – We maintain a record of your personal profile which may contain details of your objectives, financial situation, and needs. We maintain records of any recommendations made to you, together with summaries of meetings and transactions. All these records are our property and must be retained for production to the regulatory authorities upon their request for a period of 7 years. If you wish to examine our file, you should ask us, and we will make arrangements for you to do so.
- **What Are the Possible Consequences Of Not Providing This Information** – You are of course at liberty to decline to provide some or all this information, but if you do not provide it, any recommendations we make may not be appropriate to your needs and objectives. In certain cases, your failure to provide information may place us in a position where we cannot provide any advice or any financial services to you.
- **General Advice Warning** – When we provide General Advice (whether or not we have a copy of your personal details), our advice will not take into account your personal financial objectives, needs or circumstances and may therefore not be appropriate for you. As we indicated above, in such circumstances you must determine if our advice is appropriate for you.

Privacy

Limitless Wealth Group and Lifestyle Asset value client confidentiality and for details of our Privacy Policy and how this relates to your information please request a copy by calling Lifestyle Asset Management Compliance of 1300 226 271 or email on erm@lifestyleam.com.au

How Is Your Adviser Paid Now and Ongoing? (Fees, Charges, Commissions)
