Notice of Cancellation

Space Florida hereby provides notice that the above-referenced Request for Bids (RFB) is CANCELLED. This cancellation is issued following the public bid opening conducted on May 29, 2026. All bidders who submitted bids in response to this solicitation are hereby notified that no award will be made and no contract will be executed pursuant to this solicitation.

Future Solicitation

Re-solicitation planned: Space Florida intends to re-evaluate the project scope and funding and anticipates re-soliciting this work at a future date. Any re-solicitation will be a new procurement; bids submitted under this cancelled RFB will not be carried forward. Interested parties are encouraged to monitor Space Florida's solicitations page at spaceflorida.gov/solicitations for future opportunities.

Reservation of Rights

Space Florida reserves the right to cancel any solicitation at any time prior to execution of a contract when it is in the best interest of Space Florida, including after the public opening of bids. This cancellation creates no obligation or liability on the part of Space Florida to any bidder or prospective contractor, and no bidder shall have any claim against Space Florida arising from this cancellation.
