RESUME.

DAY AT THE MONACO GRAND PRIX.

On Sunday, June 07, immerse yourself in the electrifying atmosphere of the Monaco Grand Prix. Your extraordinary journey begins in Saint-Tropez, where you will board a private helicopter for a breathtaking flight over the sparkling Côte d'Azur.

Upon arrival, step into the exclusive world of Formula 1 with the “Garage 1” experience, granting you privileged behind-the-scenes access to the heart of the Grand Prix. Get up close to the race cars, witness the teams in full preparation mode, and experience the adrenaline of the final pre-race moments. Enjoy an unparalleled opportunity to walk through the Pit Lane before the start, discovering the meticulous precision behind each racing team.

Then, settle into the finest vantage point to witness the race at the closest possible proximity to the action.

An unforgettable experience, blending high-speed thrill with total immersion in the world of Formula 1.

Seven of the world's most prestigious supercars have been carefully selected to offer you a truly unique driving experience. Over four exhilarating days, explore breathtaking roads and diverse landscapes, switching to a different supercar each day for a fully immersive automotive journey.
