VANITY

Elegant Design & Superior Engineering

Enhance your yachting experience with our state-of-the-art VANITY Gangways Selection. Designed to be versatile and perfectly fit with your vessel's functionality, its elegance contributes to creating a sophisticated ensemble.

Find out more about VANITY range:

- VANITY 2.0
- VANITY 1.0

*Hybrid version available

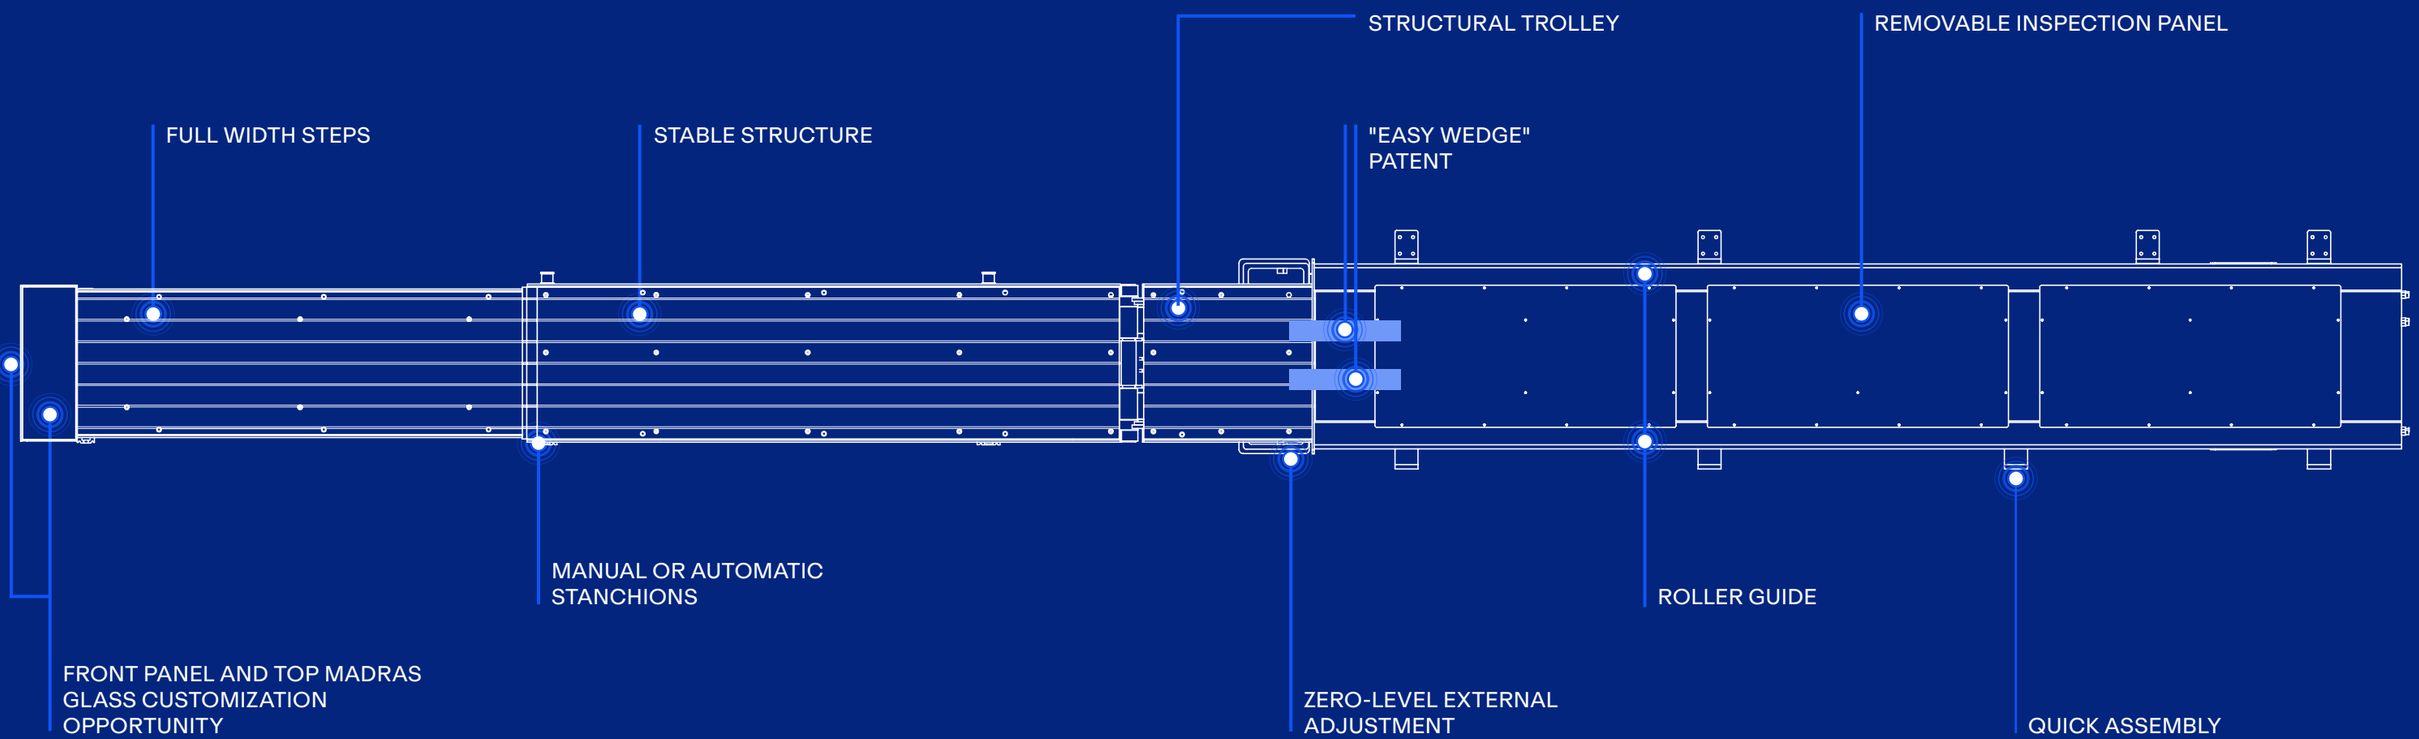

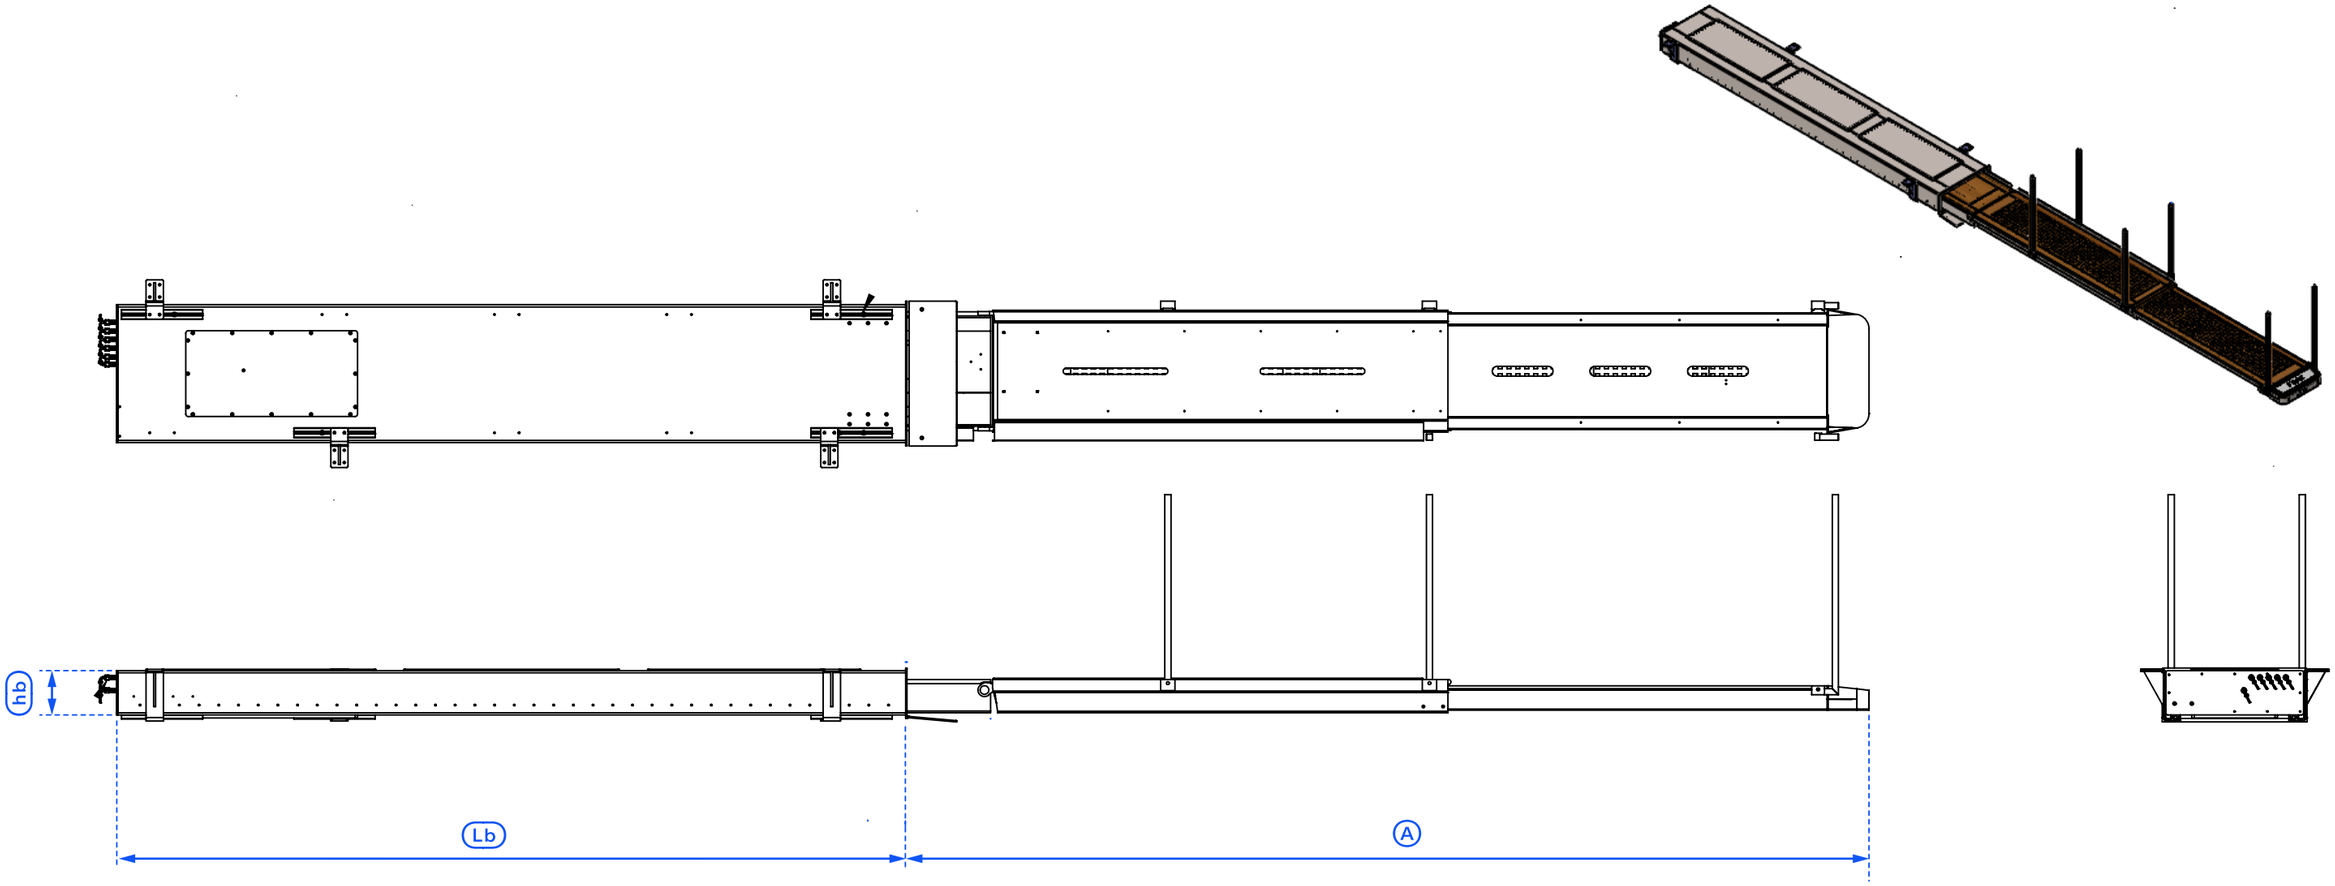

With sleek design and impeccable craftsmanship, VANITY offers extensive customization, from engraved front extensions to Madras backlit anti-slip glass, perfectly complementing your yacht's style. Integrated LED lighting, premium finishes, and high-quality materials ensure elegance, durability, and safety.

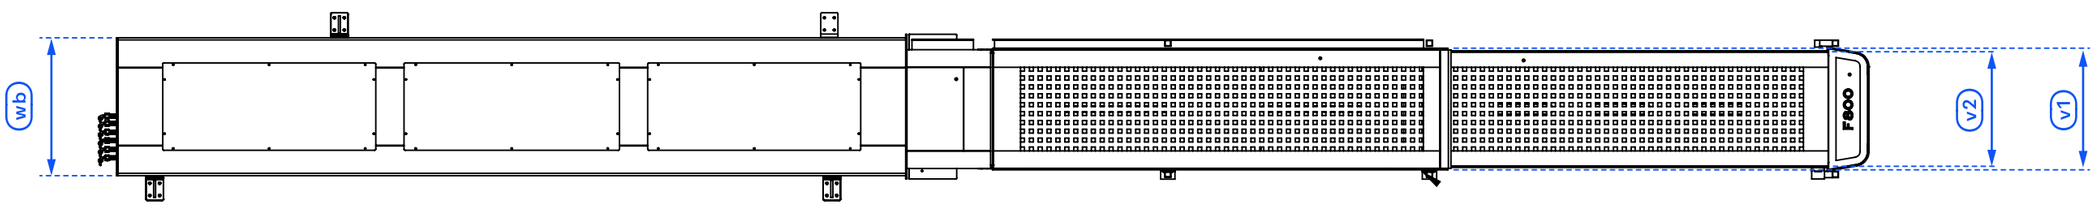

Controlled effortlessly via remote or the MAESTRO App, VANITY features the patented Easy Wedge technology, reducing mechanical losses, swinging, and bending while enhancing stability and strength. A perfect blend of innovation, reliability, and refined Italian craftsmanship.

PATENTED

Product Overview

Dimensioni:	≤30	>30÷120	>120÷400	>400
Tolleranze:	±0,1	±0,15	±0,25	±0,4
Parallelismo/Perpendicolarità:		±0,2%	**Angoli:**	±30'

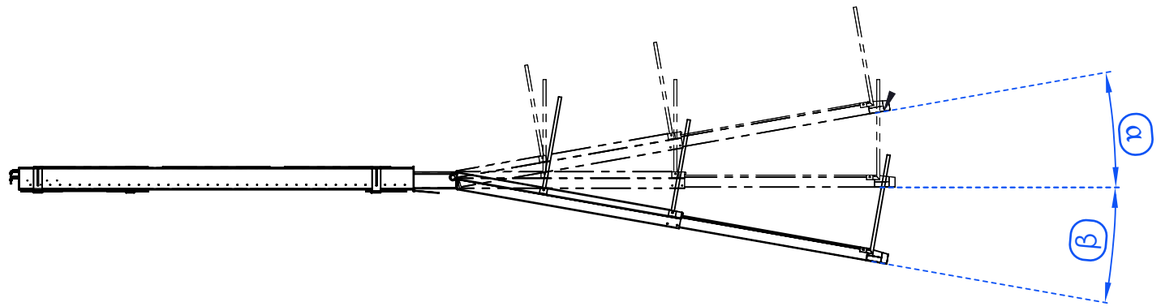

Se non specificato: Raggi: 0,5mm Smussi: 0,5X45°

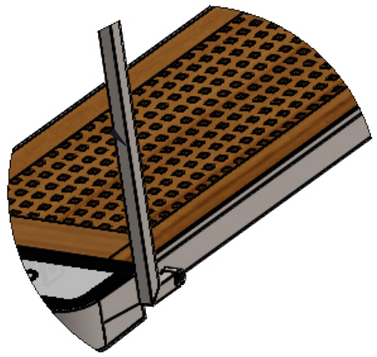

The copyright of this drawing is reserved by Amare Group srl.
