They offer, expert advice on solar products and tailor-made solar solutions that suit your budget and goals for the future.

# SUPPLY PARTNERS

In the event of any differences between this specification and other designs or verbal commitments, this specification will override. Unless reduced to writing, no verbal commitments will apply. | All products herein specified are subject to availability. If any product is not readily available, or undue delay is experienced in obtaining them, the Seller shall have the right to use the nearest similar material available. | The Seller cannot guarantee that the products used will be the same colour or texture as any sample inspected by the Purchaser or shown to the Purchaser by the Seller or its representatives. Where any materials are not clearly specified or indicated on the drawings, the Seller shall have the right to use the material it considers to be the most suitable for the purpose.
