PAVILION

PRO VARSITY SUMMER LEAGUE

**INTERMEDIATE - ADVANCED
BOYS & GIRLS**

Varsity Summer League is for individuals interested in improving skills and understanding of the game throughout the summer without committing to heavy practice or game schedules. Participants will have one week day practice and one group scrimmage every Saturday. Weekly practices have now transitioned to group skills training clinics. Saturday scrimmages will serve as an opportunity to utilize teachings during in-game scenarios. Teams are formed by grade and skill level.
